Old Business:

-Spencer Speaks Update

Everyone got the email/flier ok for Spencer's event and Colleen has copies for those that did not receive it. Brigett also brought copies to be handed out to employers. The subcommittee for this event met with the SHRM subcommittee to discuss the event. SHRM will be sending invitations to almost 300 people. We are predicting some walk-ins, but RSVP's are being requested to get a count. As of yesterday, 70 people had already RSVP'd. The breakfast for the event will be rolls, donut, juice, and coffee. The remaining \$500 for the event will be used to purchase Spencer's books to use as door prizes for the event. People who have RSVP'd will be eligible to win the door prize. Business people will be able to receive credit for attending the training. DDD grant, HSA, Dare to Dream Conference, donated the remaining funds needed so that we are able to host the event at no charge. It was mentioned that someone would need to man the table as people come in and that would be the only participation as we will not be responsible for set up or tear down. Everyone was encouraged to send the flier/sign-up info to people that they thought might be interested in attending.

Times/locations for events

-Britton on the 6th morning

-Watertown HS afternoon of the 6th

-County Fair at 8:00a

-LATI at 11:30a.

SHRM will be providing all travel for this event for Spencer and his crew.

-Disability Awareness Day

Voting was done on the day that would work the best as Jordan forgot to send out an email to get everyone's thoughts. Everyone thought that the 28th would be the best choice and that the 27th would be our second choice. Brenda is going to check with the school to confirm that these still work out. Marilyn volunteered to get in touch with some of the teachers at LATI to get volunteers for the event as we will likely need help with 75 students in each section. Colleen will also be seeing if anyone from HSA could help.

-NDEAM 2017

The subcommittee met and decided that they would like to move forward with trying to get Gov Duugard to be the speaker for the event. Jessica contacted Kim Hoberg, VR Business Specialist, to see if she would be able to get in contact with him. He did speak at VR's event last year in coordination with the SD Retailers Association event. No dates have been narrowed down, just that we are looking at October. If Gov Duugard cannot participate, the subcommittee will be meeting again to think of other ideas. The proposal has to be submitted by the end of February. The committee indicated that they had also decided to move forward with utilizing LATI's venue and HSA as our caterer again as well.

New Business:

-Nomination of employer, employee?

The presentation of the award to Print Em' now went very well. No nominations for awards were put forward this month.

-HSA Valentine's Dance

Colleen explained that HSA was putting on a Valentine's day dance and asked that we pass it around to people who may be interested in attending. Colleen clarified questions asked by the group.

Adjournment:

Next meeting will be February 15th 2017 @ Minerva's.

-Marilyn indicated that she will not be here
