Sr. Activities Center Member of the Month

Last month we started a new segment called the Sr. Activities Center Member of the Month. This month we are pleased to do this again with Lloyd Christians who has been coming to the Senior Activities Center for 14 years now.

Lloyd has been an extremely active member of the Center and a board member for many years. Lloyd is also very active in the activities at the Center including Wii Bowling where he has a variety of league championships and also a good number of 300 games.

Lloyd is probably most well known for his wood working skills which you will see at the Center with many of the signs and cabinets that he has made. In fact which ever way you look you will see something he has built.

Lloyd is a very talented person and we are very lucky to have him.

Christmas Tree Fundraiser

The Senior Activities Center is once again one of the lucky few to have been selected to have a Christmas Tree at the Library again for the annual Christmas Tree Fundraiser sponsored by the Watertown Community Foundation.

Margaret Davis is once again heading up the decorating of the tree for the Center and we greatly appreciate all her

help with making this successful each year. Please stop by the Library anytime between anytime-through December 31 and vote for the Center's tree. Each vote is \$1.00 per vote and the more money the better.

The Foundation will match up to \$300 for each organization.

Billiard Room is Complete

Last month we showed you a picture of the Snooker Table that was being installed and now we are happy to show you a completed picture. A huge thank you to Jim Elkins and his Brother Chip for finishing the table recently and let me tell you the table has gotten a lot of use since it was finished in fact we have seen some new members join just because of the table. Thanks again to Jim, Chip and their family.

With it being the holiday season around the corner the group is now dancing to Christmas songs which is challenging but lots of fun at the same time.

Movie Night is Back on December 20th.

Professional Hearing Services are back hosting another Movie Night at the Watertown Senior Activities Center on Tuesday night December 20 at 6:00 p.m.

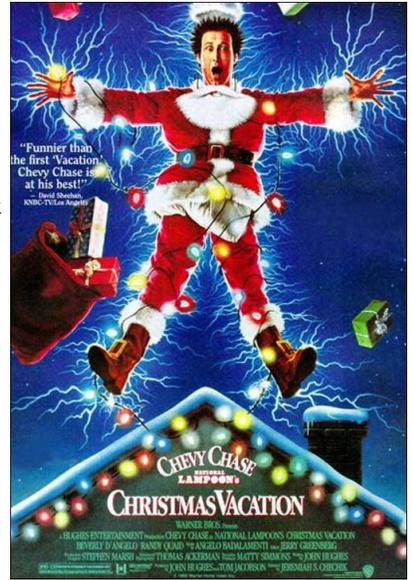

For the annual holiday movie this year they have decided on the funny film Christmas Vacation starring Chevy Chase. No matter how many times you have seen this movie, you can't help but laugh out loud.

Professional Hearing Services will be provided Movie Theater Popcorn and other Christmas refreshments including apple cider.

There is no cost to attend and the movie is open to all people who would like to attend.

This will be a fun night to get together one last time before the holidays and we can't thank Professional Hearing Services enough for putting this on for the seniors.

The big screen will be put up and plenty of chairs will be set up so come early and get a good seat and be ready for a laugh a minute with Christmas Vacation on Tuesday, December 20 at 6:00 p.m. Any questions please call 882-6260.

A Message From Jeremy

December is here and what a fun time it is with Christmas approaching and all those fun holiday activities and food.

I for one enjoy December because it is a month where we have a lot of special activities including the annual Soup Supper. I get to dish out the worlds best chili as I like to call it. This event brings out a lot of people and it's fun to see some faces that we don't normally get to see. A special thank you to Thrivent Financial and also to Josh Hanson for sponsoring this event. There will be free will donation with all the proceeds going right back into the Senior Activities Center.

Another great event in December is the Winter Wonderland Trolley Tour coming up on December 11.

This will be the second year that we have put this on and are hoping for a big crowd. The Optimist Club does a great job with the Winter Wonderland display at City Park but there are a lot of people who can't drive any more and have no way of getting out there to see it, so this is an ideal way to do it. We have a limit of 30 people who can ride that evening, so please sign up well in advance.

Don't forget to head to the Library and vote for the Senior Activities Center Tree again

Jeremy Herrboldt

this December as well. Each vote is \$1.00 and obviously the more you can do the better. We appreciate everyone's support and wish you a Merry Christmas and a Happy New Year. You can always reach me at 882-6260. Thank you.
