Investigation
Reasonable Suspicion: Specific and articulable facts, which when considered together with inferences from those facts, lead to belief that criminal activity is afoot.
Need reasonable suspicion to:
-Stop or otherwise detain a suspect.

EXIT

Building entry and search
Three speeds:
Stealth – slow, thoroughly searching each area, as quietly as possible.
Warrant Speed – moderate speed – searching each room for persons to secure the location and persons.
Hostage Rescue/Active shooter – as fast as officers can accurately shoot, moving to the known location of the suspect as rapidly as possible.
