

Downloading eBooks through Adobe Digital Editions

What should I know before I begin?

- If you need help, ***South Dakota Titles To Go* has an excellent help site** with video tutorials and specific instructions.
- You may search for eBooks through our online catalog. This will show you titles from both programs at the same time. Access our online catalog at <http://watlib.org>.
- You will need to download *Adobe Digital Editions* to be able to read an eBook or transfer it to an eReader. It is easiest to do this before you start.

How I download Adobe Digital Editions and sign up for an Adobe ID?

- Go to *South Dakota Titles To Go* through Watertown Regional Library's website.
- Click on the help button and then "Applications". Select *Adobe Digital Editions*.
- Click on "Download Now" from the menu on the right, and then choose the link for your operating system (Macintosh or Windows). Install the program.
- When the program has finished installing, a pop-up box will appear asking you to enter your Adobe ID. Click on "Create an Adobe ID".
- If the pop-up box does not appear asking you to create an Adobe ID, click on the help button in Adobe Digital Editions. Then click on "Authorize Computer" and select "Create an Adobe ID".
- Fill out the Form. **If you are using a Nook, use same email and password from registering your Nook.**
- Type your new Adobe ID and password into the pop-up box in Adobe Digital Editions and click "Authorize".

How do I find the book I want in the library's catalog?

- In the catalog, make sure the library listed is Watertown Regional Library.
- Change the collection to one of the ebook categories.
- Enter the title, author, series, or genre for the book you are searching for. If you leave the search box blank, you will find all of the eBooks the library owns.
- When you find a book that interests you, click on the electronic resource link. If there are two links it means we have copies in both *South Dakota Titles To Go* and *Axis 360*.
