Applicant:		Phone Number:	
Address:	City:	State:	Zip:

Contractor:		Phone Number:	
Address:	City:	State:	Zip:

This is to certify that _____ has regularly applied to the City Engineer for a permit to excavate for _____ on _____ between _____ and _____.

Adequate traffic control, signs and barricades are the contractor's responsibility and shall be provided. No street shall be closed without notification of the Police Department and the Street Department.

Backfill shall be compacted to 95% maximum ASTY-D698 density including the top foot which shall be SDDOT base course. Permit work shall comply with all City Ordinances and "Permit Procedures and Requirements" available from the City Engineer's Office.

Permit Security Requirements:

___ Plumber or pipe layers licensed required or;

___ 100% Performance/Payment Bond or;

___ 100% Cash Bond or;

___ Current year Letter of Responsibility from Contractor with acceptable history for prior work in the City of Watertown.

Insurance Requirements: Current required insurance certificate filed with City of Watertown as an additional named insured.

Changes at Owner's Expense: If, at any time, it shall be necessary to change the position of any pole, line, junction box, manhole or other service structure of the owner, to permit the City to lay, make or change street grades, pavement, sewers, water mains, or other City works, such changes shall be made by the owner at his own expense.

Note: Before excavating, call for utility locations: 800-781-7474

I, the undersigned, do hereby affirm the above statements are true and correct and agree to comply with the provisions of the ordinances of the City of Watertown and the approved plans and specifications accompanying this permit. The proposed work is authorized by the Owner and authorization to enter the property for inspection purposes is hereby given to authorized representatives of the City of Watertown.
