Urban Renewal Board  
March 8, 2018 12:00 PM  
Gather Coffee Shop, 122 E Kemp Ave, Watertown

The Urban Renewal Board met in regular session on Thursday, March 8, 2018 at Gather with the following attendees: Mayor Sarah Caron, Dan from the Public Opinion, Owner of The Gym Inc, and Board members Stephan Tjaden, Sarah Riess, Jason Redemske, Vanessa Victor, and Nancy Turbak.

The board approved minutes from the December 14, 2017 meeting with a motion from Tjaden and a second from Redemske since no meetings were held January 11 or February 8 due to lack of quorum. On the agenda was old business about the downtown flowers and where the decision stands. Currently the flowers will be at 60% of normal due to funding shortage. There was an update on the speakers from Redemske mentioning that only 5 of the 10 speakers purchased had been installed leaving 5 as extra in case of repair needs.

An update was provided on the streetscape study by Confluence which was held on January 9, 2018 in Watertown. It is progressing forward and details are hoped to be released by the end of April. For new Business the board spoke about activities reported to the council. New Banners for downtown were suggested and the city council seemed to accept the idea of new ones needed.

In closing the board spoke about reviewing of the Bylaws and mission statement for the Urban Renewal board. Mayor Sarah Caron mentioned that the board needs a clear definition of purpose for the public. With no other business the meeting was adjourned with a motion by Victor and second by Tjaden.

Urban Renewal Board  
April 12, 2018 12:00 PM  
The Goss, 100 E Kemp Ave, Watertown

The Urban Renewal Board met in regular session on Thursday, April 12, 2018 at the Goss Opera House. Members present were Nancy Turbak, Sarah Ries and Vanessa Victor (via phone). Quorum was met.

The board approved minutes from the March 8, 2018 meeting with a motion from Turbak and a second from Victor. The board reviewed the financial report provided by the City Finance Office. On the agenda was old business about the speakers located downtown. Recent repairs have been made and some of the speakers did not need to be replaced leaving a surplus of additional speakers for future use. The surplus speakers are being stored at the Park and Rec department. The board also provided updates on the Streetscaping plan being designed by Confluence and discussed the need to update the Urban Renewal Bylaws.

For new business, the board reviewed the current mission statement. A motion was made by Ries and seconded by Turbak to update the mission statement by replacing “Uptown” with “Downtown” to align with the goals defined within the Charrette. No other changes were made to the mission statement.

Brad Johnson was present to discuss the mission of the Friends of the Goss and give an update on the current status of the grant they are requesting from the City of Watertown to purchase the Goss Opera House. The board voted in favor of supporting the Friends of the Goss in their request for grant money.

In closing the board spoke about doing some research on the benefits of being located within the Urban Renewal area and how the assessments were established. With no other business the meeting was adjourned with a motion by Victor and second by Ries.
