

Index for Mathiesen, Gergen, Rhodes, and Wight Funeral Home Files, Watertown, South Dakota

Transcriptions from the Mathiesen, Gergen, Rhodes, Wight funeral accounts files were used to create this index. The index of names refers to the file number created for that individual's funeral. The files contain various information, and can contain: newspaper obituaries, worksheets used to provide the obituaries, telegrams, burial information, names of relatives, and other information of interest to genealogists. The original accounts files used to create this index have been retained by the Wight, Comes, and Sogn Funeral Home in Watertown, South Dakota. Our thanks go to the Wight, Comes, and Sogn Funeral Home for this generous donation of the Mathiesen, Gergen, Rhodes, Wight Funeral files dating 1930 - May 1985 to the Watertown Regional Genealogical Society, and for their generosity in allowing us to create this index.

Anyone wishing to research the content of the files may contact the Watertown Regional Genealogical Society, 160 6th Avenue NE, Watertown, SD 57201.
