While the information presented here is accurate to our knowledge, no guarantee of accuracy is implied.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

INDIVIDUAL BURIALS AND ABANDONED CEMETERIES

PHIPPS (ABANDONED) CEMETERY

LOCATED ON THE WILLIAM ECK FARM (ALDEN PHIPPS HOMESTEAD). Others could be buried here, but that is unknown.

Comments: Fuller twp, Sec. 30, NW Corner. 8 ½ Miles north from Henry on 437 Ave. Located on private land and private access with permission only. Turn west on Dennis Eck's driveway. Graves are behind his pole shed on a little hill. Dennis Eck stated that when the gravel pit was opened about 150 yards to the west, human remains were found that were assumed to be an ancient Indian burial. These bones were re-buried just outside the fence. There was evidence of what appeared to be nine of the eleven recorded burials in the cemetery (sunken areas or stones present).

INDIVIDUAL BURIALS AND ABANDONED CEMETERIES

Six pipes mark a burial site on the SE ¼ of section 28, North Kranzburg Township. Also called “Schneider’s Grove”; The number or names of who is buried there are unknown, but the story is that the “black plague” took some children. Due to the extreme contagious nature of the disease, they were buried 15 – 20 feet deep. Six sections of well pipe driven into the ground mark the Graves. Burial on private property

History of Bergen Lutheran Congregation (1907-1982)

In 1892, The Sisseton Reservation was opened to homesteaders and among the large group that gathered in Watertown on April 15, to await the starting time of the land rush, were many Norwegian pioneers who staked their claims in the northern part of Codington County along the Sioux River.

The community continued to grow as friends and relatives from Norway joined the early settlers to make their homes on the Dakota Prairies until a claim shanty or a set of crude farm buildings could be found on almost every quarter of land. With this growth, came the need of the early settlers to express their deep faith in God with a place where they could worship in their own community without traveling several miles to attend services.

On March 16, 1907, a group of pioneers gathered at the Bergen Schoolhouse for the purpose of organizing a congregation and building a church. Prior to this time, many of the people living on the reservation had been attending the services at Helgen.

At this meeting, Elling Ellingson was elected chairman and Ole Nelson, Albert Stee, and Jens Bergan were appointed to a committee to decide on the location for the church. A site somewhat near the center of the community being desired, Jens Bergan and N.S. Grinols each generously offered to give one acre of adjoining land for a church site and cemetery, and the present location was chosen. Also at this organizational meeting, Martin Amdahl was elected as secretary and Tom Bergan was elected as treasurer. Both of these men holding

Erland Carlson Photo

Erland Carlson Photo

office for many years and Tom Bergan, together with Andrew Markve, serving on a committee to raise funds for the building of the church.

A building committee consisting of E.O.Ellingson, Lars Holtan, and Ole Markve was elected, and they in turn hired Jonas Nordin (Nordeen) as head carpenter. The lumber was hauled twenty miles with horses and wagons by the congregation, and much of the work in building the church was done by volunteer labor. Mr. Nordin received \$500.00 for his work, and the total cost of materials and labor was \$2,347.63.

At the second meeting held on March 30, 1907, it was decided to name the church and congregation "Bergen." The name very likely chosen because many of the parishioners came from the area surrounding the city of Bergen in Norway. Also a committee, consisting of Jens Nelson, Ole Nelson, and John Larson, was elected to draw up a constitution.

On June 26, 1907, a special meeting was held and the following families officially joined the congregation: Jorgen Holtan, Ole A. Nelson, Torsten N. Bergan, John Johnson, Lars N. Strand, Peter Amdahl, Ole P. Amdahl, Martin Amdahl, Jens Nelson, Andrew Markve, Henry Hagen, Asbjorn Ness, Albert Stee, Jens Bergan, and E. O Ellingson. A short time later the families, Ole Markve, Lars Holtan, Iver Rislov, Gullik Lohner, George Gunderson, Hans Ness, and John Rislov also joined the congregation. The first trustees were Andrew Markve, Tom Bergan & O. E. Ellingson.

Rev. John Madsen, who also served as pastor for Helgen, Goodhue, and St. Pauli, agreed to serve as the first pastor and Bergen joined with the other three churches to form a Norwegian Evangelical Lutheran Parish. Services were initially held in the Norwegian language, but were gradually changed to the English language on alternating services, and finally to all English in the latter 1930's. Because the pastor's means of transportation was largely by horse and buggy, services were usually held at Goodhue and St. Pauli on one Sunday, and at Helgen and Bergen on the alternate Sunday. A morning service held at one church and an afternoon service at the other.

Rev. Madsen served until 1911 when he resigned and Rev. L.J. Odland served as temporary pastor until June, 1912, when Pastor J.J. Haanstad was installed. Rev. Haanstad remained as pastor for 11 years, serving until his death in 1923. His term was the longest of any minister in the history of the Florence Parish and was marked with the very trying times of World War I and the flu epidemic of the winter of 1918 and 1919.

Rev. J.E.Jorgenson was the temporary pastor until Rev. John Vold accepted a call in 1924. Pastor Vold remained as the shepherd of the Florence Parish until 1930, and during his tenure, he married a local girl from the Helgen Congregation, Bernice Hogstad. Also during Rev. Vold's pastorate, the Luther League was formed and remained active until replaced by the Hi-League when the Evangelical Lutheran Church Synod merged with the American Lutheran Church Synod in the 1960's.

In 1930, Rev. C.K. Malmin came to the Florence Parish from Alaska where he had served as a missionary. It was during Pastor Malmin's tenure that the rural parsonage, located just south of the Goodhue Church, was sold and the Melvin Dahle home in Florence purchased for the new parsonage.

Rev. Malmin resigned on the first of January, 1937, to accept a call to Raymond, WA, and again Rev. L.J.Odland served as temporary pastor until A.H. Holm came to the Florence Parish in October, 1937 from a church in Calgary, Canada. Rev. Holm served the parish until 1941 when he accepted a call to Arlington, SD.

Rev. C.O. Hofstad was a temporary pastor until August, 1942, when Rev. Harold Engh was installed as the regular pastor. Pastor Engh remained until 1952 when he accepted a call to Fertile, MN. It was during Pastor Engh's service that a tornado struck the town of Florence on June 17, 1944, destroyed the parsonage, and fatally injured Mrs. Engh's mother, Mrs. Larson. Two days later the Florence Parish purchased the Max Heintz residence which remains as the parsonage to this day. It was during Pastor Engh's stay in the Florence Parish that a Lutheran Brotherhood was formed in the Goodhue and St. Pauli Congregations. Rev. Engh also held many services in the Florence Parsonage, thus sowing the seeds for future church work in the town of Florence.

Pastor Kenneth Stangeland came to the Florence Parish in July, 1953 and served until 1957 when he accepted a call to a church in the Chicago area. One major change was made during Rev. Stangeland's tenure as he combined services for Bergen and Helgen, and also for Goodhue and St. Pauli, so that each parish member would have an opportunity to attend church every Sunday.

For a long time a great need had been felt for additional room for Sunday School and Christian educational purposes in the Bergen Congregation. It was during Pastor Stangeland's stay that a special meeting was called in July, 1955 to decide on the issue of rebuilding the basement of the church or building a new annex to the present structure. The vote was in favor of building a new annex and on October 8, 1955, the ground was broken for a foundation. Work was started immediately with Tofield Zemlicka being hired as head carpenter, and any additional labor needed being donated by members of the congregation. The dedication was held on October 21, 1956.

Pastor Chris Christianson was called to the Florence Parish in 1957 and he stayed until 1960, when he moved to a parish in Ephrata, WA. Pastor Christianson's term in the Florence Parish saw the formation of a parish-wide Lutheran Brotherhood that proved highly successful. Each meeting attracted a large group of the parish men, with the highlight, a father-son banquet that featured Senator George McGovern as speaker. The banquet filled the Florence Gymnasium. The Brotherhood was later enlarged to include the Egeland and Wallace Congregations.

In 1960, a call was sent to Pastor Alvin Brucklacher of Ross, ND, and he was installed at St. Pauli in October of the same year. He remained until 1967 when he accepted a call to Philip, SD. Pastor Brucklacher's tenure saw several major changes as the Helgen Church was moved into Florence, remodeled, and the New Helgen Congregation established. The rural members of the former Helgen Congregation joining the New Helgen Congregation or the Bergen Church.

The St. Pauli Congregation joined with Calvary Lutheran of Wallace in 1964, which left a three point parish consisting of Bergen, Goodhue, and New Helgen. This made it necessary to conduct three services each Sunday. A practice that continued until the mid-1970's when Bergen and Goodhue agreed to a schedule that enabled the pastor to hold just two services a Sunday.

Pastor Dennis Orsen accepted a call to the Florence Parish and was installed in October of 1967. He remained until 1969 when he left to take a parish at New Underwood, IA. Pastor Orsen's stay was marked with uncertainty in regard to the future of the Goodhue and Bergen Congregations. An attempt was made to form a two point parish with the New Helgen Church of Florence and the Calvary Church of Wallace serving this area. This meant the closing of the Bergen and Goodhue Churches. However, by a vote of 22

to 7, the Bergen Congregation voted to continue and a negative vote in the Wallace Church stopped any further steps of merging the two parishes.

After the departure of Pastor Orsen, a call was sent to David Hyland who was graduating from the Seminary of St. Paul. He was installed as pastor in July, 1970 and remained until 1975 when he moved to Moorhead, MN. During Pastor Hyland's stay, the Bergen Congregation formed a Bergen Cemetery Association in order to assure the perpetual care of the Bergen Cemetery in the event the church should be closed. Also a change was made in the scheduling of Sunday services as Goodhue and Bergen shared one service while New Helgen held the other. Bergen holding services during the period of Sunday School training and Goodhue during the summer months. Prior to this change, Saturday night services were held in Bergen during the summer of 1972.

In August of 1975, Dennis Hansen of Salem, SD was installed as pastor of the Florence Parish at New Helgen. Pastor Hansen's tenure was marked by a trip to the National Youth Convention at New Orleans by the Hi-Leaguers after an intensive fund raising campaign. His term also saw some badly needed repairs being made in the parsonage to better provide comfortable living quarters for our pastors.

Pastor Hansen accepted a call to Hot Springs, SD in 1978 and during the same year our present pastor, Norman Olson, took charge of the Florence Parish. Pastor Olson has instituted a cassette ministry as a means of reaching members that are unable to attend church. During his ministry a soup supper and bazaar has also become an annual affair to help defray parsonage and other parish expenses.

Although the ministerial records of the Bergen Church were destroyed in the tornado that struck Florence in 1944, it can be recorded that the first baptisms were those of Alfrieda Hagen, Anna Rislov, and Albert Nelson. The first confirmation class consisted of Mathilda Amdahl, Anna Dahlen, Viola Stee, Paul Amdahl, Clifford Ness, and Elmer Person. The first wedding in Bergen was that of Bertha Ness and Tom Bergan on December 17, 1908. The first funeral was held for a Nerrison (George) baby in 1907.

This brings to a conclusion, the short history of the Bergen Congregation that covers just the highlights occurring during the past seventy-five years. Yet through it all shines the quiet and enduring faith that sustained and nourished its members through a period that saw many of their hopes and dreams vanish in the wake of tornados, hail, drought, and other natural disasters. Despite four wars, epidemics, and a very real depression, these past seventy-five years brought many blessings to those with the will and courage to first pioneer and then build and sustain this Bergen Church and Community. With God's blessing, may it continue for many years to come.

The present officers are: Chairman, John H. Johnson; Trustees, Ray Amdahl, Kenneth Schafer, Berneil Aslesen; Deacons, Randy Schulz, Kenneth Schulz, Jerauld Schulz; Secretary, Earl Drake; Treasurer, Orvil Stormo; Cemetery Board, Glenn Stadheim, Earling Johnson, Don Rislov, Elton Erickson, Bernard Fiones, Ray Amdahl, Treasurer.

Bergen Congregation is proud to have a native son as a pastor in the American Lutheran church. He is Robert Stadheim. He was baptized in Bergen as an infant in 1945 and was confirmed in 1960. After graduating from Florence High School, he attended South Dakota State University, Brookings, SD for two years. In the fall of 1965, he transferred to Luther Bible Institute, Minneapolis, MN (Now Golden Valley Lutheran college), where he attended for two years. After his training there, he decided to enter the ministry, so he obtained his degree by returning to South Dakota State

University. From there he entered Luther Theological Seminary in St. Paul, MN. He was ordained into the Ministry in Bergen in 1973. In 1967, he had married Myrna Sollin, Florence, SD of New Helgen Congregation. They are the parents of three sons. They served a parish in Amboy, MN and are now serving Concordia Congregation, 4901 Indian School Road, Phoenix, AZ.

History of Bergen Ladies Aid

The Bergen Ladies Aid was organized on April 26, 1907 at the home of Mrs. Elling Ellingson, who served as the president. Mrs. Martin Amdahl served as the first secretary and treasurer. The charter members were Mrs. Pete Amdahl, Mrs. Martin Amdahl, Mrs. Elling Ellingson, Mrs. Iver Rislov, Mrs. Jorgen Holtan, Mrs. Albert Stee, Mrs. Henry Hagan, Mrs. Tobias Thompson, Mrs. John Rislov, Mrs. Lee Grinols, Mrs. Jens Bergan, Mrs. Ole Markve, Mrs. Andrew Markve, Mrs. John Johnson and Mrs. Bennie Ness.

Mrs. Tom Bergan, Mrs. Carl Gunderson and Mrs. Ole Nelson joined early in 1909, following their marriages.

They organized for the main purpose of supporting Home and Foreign Missions but besides this, they helped buy many of the interior furnishings for their new church.

At first, the programs were all conducted in the Norwegian language. The change to all English was made gradually. Their mode of travel was with horses and it was not uncommon to see a lady walking and carrying her baby if the distance wasn't too great. Most of the mothers had large families and the children were always welcome at the aid meetings.

The trend toward meetings that included ladies from the other congregations in the Florence Lutheran parish was begun when Pastor Kenneth Stangeland was serving the parish. He helped the ladies form parish wide circles. Each circle had a different project such as Foreign Missions or Home Missions and members of these Circles were chosen from all four of the parish's congregations, Bergen, Helgen, Goodhue, and St. Pauli. These Circles helped promote friendship throughout the parish as the ladies crossed congregational boundaries to attend the meetings.

In 1960, when Pastor Alvin Brucklacher was our new pastor, the merger of the E.L.C., A.L.C., and U.E.L.C. churches into the present A.L.C. took place. Pastor Brucklacher encouraged the ladies to form a parish wide organization called American Lutheran Church Women. Each of the churches Ladies Aids became Circles at that time. The Circles meet once a month for Bible study and to conduct any business that concerns their home congregation. The A.L.C.W. meets four times a year on a parish wide basis.

In 1965, the Bergen ladies began setting aside some money in First Federal to be used for redecorating the Church. In 1966, the church proper was painted inside. Paneling was put on the chancel walls and on the wainscoting under the windows. Colored glass was also put at the window peaks.

At this writing the Charter members are all gone. We have one honorary member, Mrs. Lydia Rislov. The present officers are: Betty Rislov-Chairman; Berniece Drake-Vice Chairman; Earline Erickson-Secretary and Secretary of Education; Phyllis Johnson-Treasurer; Lois Monahan-Secretary of Stewardship.

History of Bergen Sunday School

As families grew, a need for Sunday School was recognized. Antone Carlson was chosen as the first Sunday School superintendent, and classes began in the early 1920's.

Enrolled pupils included pre-school through high school with adult Bible class, and the schedule ran every Sunday from Easter to Christmas.

In 1957, pupil enrollment in Sunday School numbered 42 in addition to 12 teachers and officers. In that same year the officers were Mrs. Larry Zimmer, superintendent, with Kenneth Schwinger as assistant and Mrs. Theodore Thompson, primary superintendent.

Also, in 1957, a Board of Education was formed to help with Sunday School and Vacation Bible School. This board consisted of Orvil Stormo, Carl Gunderson, and Mrs. Ray Amdahl.

Vacation Bible School was held at Bergen from the early 1920's until the summer of 1976. Generally, VBS lasted half days for 2 weeks, with the schedule changing to 1 week, all day, in later years. Since 1976, VBS has been held as a Parish event at New Helgen in Florence. It is always planned for the month of June, and functions nicely as a Parish venture.

Members say Goodbye to an old Friend

The Bergen Lutheran Church may be closing its doors, but if there's one thing its congregation has learned over the years, it's the fact that walls, pews and an altar don't make a church---people do.

Christian bonding together is what gave birth to the church in 1907. And it's the lack thereof which is forcing Bergen to hold its final service Sunday, June 13, 1993, at 10:30 a.m.

The people who remained throughout the 86 years will always have fond memories of their church.

John Rislov, 90, and a life-long member at Bergen, remembers traveling by horse and buggy in the summer and by horse and sleigh in the winter to attend services in Bergen when the church was a youngster, itself.

He grew up with the country church as did others who are still members today. Earling and Phyllis Johnson were married in the Bergen Lutheran Church June 6, 1943, and will fittingly celebrate their golden wedding anniversary there today (Saturday). "Bergen has seen seven generations of my family," Johnson says proudly.

The church grew up and changed along with those generations. The men used to sit on one side and the women on the other. Pastors came and went. The services went from Norwegian to English and an annex for Sunday School and fellowship was built. "The one thing that never seems to change, is that people still tend to sit toward the back."

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of New Helgen Congregation (1880-1980)

In the fall of 1880 a group of pioneers gathered together with Rev. Magelson to organize what was the forerunner of our New Helgen Congregation. At that meeting it was decided that "Garfield Norwegian Evangelical Lutheran Congregation" would be the official name, and it would be affiliated with the Norwegian Synod. Services were to be held on Sunday with Jess Koren as "reader." The following men attended that meeting: Gunder Stuverud (trustee), Carl Knudson (secretary), Anders Dahle, Jess Koren, C.J. Stenstadvold, Martin Thorsen, Paul Stee (trustee), M.E. Muller, Nils Skogstad and E. Ingstad Bodtker.

In the beginning there was no regular pastor but Pastor A. Jacobsen conducted services in the new granary built by A. Dahle. Pastor Lars Sherven also served as temporary pastor, conducting services at St. Pauli as well. Services during these early years were also held at the homes of A. Dahle, Paul Stee, A.H. Ristvedt, and Garfield. Later services were held in the schoolhouse of Twin Lakes and in the Ristvedt schoolhouse.

At a meeting of the congregation in December 4, 1881, it was decided to locate a cemetery on the A.H. Ristvedt land. Then in 1883 the congregation met with St. Pauli at the home of Hans Gronsten and it was decided the two congregations should call a pastor, each taking turns providing transportation for the minister. Pastor A. Nilsen was called. At a business meeting on September 27, 1884 in the Ristvedt school house, a constitution was adopted and the name of the congregation was changed to "Helgen Norwegian Evangelical Lutheran Congregation." It was named for Helgen, Norway. Rev. A Nielsen was the first pastor called to serve the congregation (1883-1892). In 1890 the church was affiliated with the United Lutheran Church.

In 1889 the church was built with an original cost of \$1130, and was dedicated in 1904. In 1902 the parsonage, located south of the Goodhue Church, was built in conjunction with Goodhue and St. Pauli. In 1907 the church was enlarged with costs of \$1847, and extensive repairs were made.

In 1931 the parsonage was moved to Florence, but on June 17, 1944, during Pastor Engh's pastorate, a tornado swept through the Florence area destroying the parsonage with all the ministerial records of the Parish. Three people lost their lives in the tornado, one of which was Mrs. Engh's mother. Two days later the four congregations: Helgen, St. Pauli, Goodhue and Bergen, purchased the M.F. Heintz residence in Florence, which still serves as the parsonage.

Pastors having served Helgen Congregation were from the beginning: Magelson, Jacobsen and Sherven, all serving as temporary pastors. Pastor Nilsen served from 1883 until his death in 1892. Rislov was pastor from 1892-1901. Pastor Madsen served from 1901-1912. Pastor Haanstad took charge until his death in 1923. Pastor Jorgenson served temporarily until Pastor Vold was installed in 1924, serving until 1930. Pastor Malmin was then called and served until 1936. Pastor Odland served temporarily until Pastor Holm took over from 1937-1941. Pastor Hofstad served until 1942, when Pastor Harold Engh came and served until 1952.

Pastor Engh held many meetings in the parsonage during the 1940's, thus sowing the seeds for future church work in the town of Florence. Some services were also held in the old Adventist Church building which was located on the grounds where New Helgen now stands. A small wood-burning stove furnished heat when needed. Plans for a Parish Hall in Florence were begun but no action followed.

In 1953 Pastor Kenneth Stangeland was installed and served until 1957 when Pastor Chris Christianson accepted a call and served until 1960.

Women's L.D.R. was organized in 1930. The Ladies Aid and Luther League had both been very active for many years.

The Sexton of Helgen Church during the first 50 years was Oscar Thunall who came from Oslo, Norway and joined Helgen Congregation in 1882. He walked to church, did the custodian work, and rang the bell one hour before services and on every Christmas Eve.

Pastor Alvin Brucklacher was installed in the Florence Parish in October 1960. In 1962 he asked the Parish Council to begin a Mission here. Permission was granted and preparations were made to hold services in the Florence Town Hall. The first service was held on Easter Sunday in 1962, with over 100 persons present. Services were held every Sunday for the next two years. Since Helgen Church was not being used much any more (services for Helgen and Bergen were now being held at Bergen most of the time), Pastor Brucklacher asked that Helgen church be moved to Florence. A complete survey was taken and a special meeting of Bergen-Helgen Congregations was called for the purpose of voting on the issue. The vote showed a 2/3 majority in favor of the move.

In October 1964, Helgen Church was moved to Florence and placed on the newly prepared foundation on lots donated by Everett Springer. The former site of the church was later marked by a monument surrounded by shrubs and evergreens. Pastor and people worked long and hard during the cold winter months to prepare the church for services in the spring. Pastor Al planned and supervised the work and building of the two additions to the original building. The new addition to the west provided room for stairs, a balcony, narthex and entrance. The east addition provided room for furnaces, kitchen, rest rooms, a library, Pastor's study and secretary's office. On either side of the altar were made sliding panels which could be opened for overflow crowds. The three windows above the altar were taken from the old church tower, and in them the three leading symbols of Christendom, in colors of blue and gold, were placed. The Hand of God the Father, The Lamb, as Christ the Lamb of God, and the Dove as the Holy

Spirit. The Trinity symbols from the old church were placed on the walls inside the church. The bell from old Helgen Tower was placed in full view near the entrance, and the outdoor stair railings were shaped like a shepherd's staff.

On January 24, 1965, New Helgen Congregation was organized and accepted into the Florence Parish in March of that year, and into the South Dakota District in May 1965. The church now became known as "New Helgen Lutheran", and the first service in the newly remodeled church was held on Easter Sunday, April 18, 1965. Nearly all the carpenter work, painting, varnishing, equipping kitchen and rest rooms, and other projects, was done by men and women of the congregation and the pastor. Two years after the church was moved and the work mostly finished it was dedicated at a special service, with nearly 400 persons in attendance. Pastor Engh gave the morning message, and Dr. Gilbertson conducted the dedication rites. Dinner and supper were served to members and guests by the New Helgen ladies.

The Florence Lutheran Parish now consisted of Goodhue, Bergen, and New Helgen. St. Pauli joined with Calvary Lutheran of Wallace in 1964.

Bake sales were held weekly by ladies of the congregation, with proceeds applied on the building fund.

In February, 1967, Pastor Brucklacher accepted a call to Philip, SD, and with his family moved to his new Parish in the spring.

Dennis Orsen accepted a call and was installed in the Florence Parish in October 1967. Pastor Orsen and Sandra Dailey were married June 22, 1968 at Davenport, IA. They spent their summer vacation in Europe and brought home interesting film strips. During the next few years many special offerings were made to reduce the church debt. A loud-speaking system was installed in the church, and women through their Circle organizations helped with the cost of improvements made. Pastor Orsen accepted a call to Underwood, IA and left for his new Parish in October 1969. Sandra Orsen continued her education and is now an ordained minister in the American Lutheran Church.

A call was now sent to David Hyland. He accepted and moved to Florence in July 1970. His ordination service was held in Forest City, IA in June and his installation service at New Helgen on July 25, 1970, for the Parish.

That year a China Dish Fund was started by the Ogden Halse family in observance of their parents' 50th wedding anniversary. Dishes were purchased for the dining room as the fund grew. New silverware was also purchased.

When St. Peter's Church closed, its members turned the church building and lots over to New Helgen for use. The young people of the Parish converted the church into a Youth Center and called it "'Peter's' Place."

The building loan of \$8000 was paid off in 1973, and the mortgage was burned. Since New Helgen was now free of debt, new improvements were made possible. New carpet for the stairs, altar, and main aisle of the church were installed. A new Baldwin Organ was purchased from memorial funds and donations. Women's organizations continued their work in Missions at home and abroad, and in local projects. The Parish ALCW purchased a typewriter for the office.

In April of 1975, Pastor Hyland accepted a call to North Buffalo Lutheran Church, of rural Moorhead, Minn. beginning June 1.

Dennis Hansen of Salem, SD then accepted a call from the Florence Parish, effective August 1. He was ordained in Christ Lutheran Church, Salem, SD and installed as pastor of the Florence Parish August 3, 1975, at New Helgen.

The coming year, Hi-League members raised enough money to attend the Youth Convention in New Orleans, August 8-19, 1976. They were accompanied on the trip by Pastor Hansen and his wife Mona.

Goodhue Cemetery, Codington County, South Dakota

Location: NE ¼ Section 11 of Eden Twp.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of Goodhue Congregation (1888-1973)

The events of the present are always colored by the heritage that preceded them. This is also true of the Goodhue congregation.

Many of the pioneers who settled in this community were of Scandinavian descent and the Lutheran faith.

Quite a number of these people came from Goodhue County, MN and some from Decorah, IA. In their former homes, they had the privilege of having a place for worship. Here there was none. Feeling the need for a Church home, plans were made for such an edifice. Hardships abounded on the wide open prairies, but the pioneers had a knowledge of, and a faith in God, knowing the Lord would guide them, and give them strength and courage to carry on.

On Sunday, September 16, 1888, there gathered in the granary of the Asaph Chilson

homestead, located one-half mile North of the present church, a small but determined group of families for the purpose of organizing a Norwegian Lutheran Church. Under the direction of Rev. L.E. Kjelaas, a pastor of the Webster vicinity, a Charter was drawn up. The Charter members being: Amund Chilson, Andrew Soreng, Lars Stran, Carl Ronning, John Soreng, Jens Williamson, Martin Soreng, Thomas Jesme, Lars Olson, and Soren Hjermstad with their families.

Other families who soon joined the congregation were: John Westby, Sam Williamson, Nils Holtan, Olai Skajem, Asaph Chilson, Andrew Larson, Peter Bergh, Paul Fjelstad, Christian

Photo by Erland Carlson

Goodhue Lutheran Church, seven miles northwest of Florence. The congregation was organized in 1888. Seventy-five percent of the charter members came from Goodhue County Minnesota, its namesake.

Larson, Nils Meland, Herman Meland, John Hjelmeland, Peter Kirkeby, Lars Ohnstad, Halvor Lovald, George Skajem and Peter Skajem.

Of these early pioneers, all have passed to their eternal rest. However, some of their children and grandchildren are in our midst, active and giving of their lives to the keeping of the Church. To these direct descendants, we dedicate this history.

At the organizational meeting it was decided to give the new Congregation the name "Goodhue" in reference to the large percentage recently come from Goodhue County, MN. The first officers were: Jens Williamson, Percentor; Carl Ronning, Treasurer; Lars Olson and Thomas Jesme, Trustees; Andrew Soreng and Amund Chilson, Deacons; and Martin Soreng, Secretary.

Three acres of land was purchased from John Westby in 1889 for \$20.00 per acre. This was to be used for Cemetery grounds. This is also the present Church and cemetery setting.

Rev. Kjelaas served the congregation from 1888 to 1893 with a salary of \$50.00 per year. He lived near Grenville, SD and for every service had to drive a round trip of between fifty and sixty miles with a team of horses. We find he conducted about sixty services in the congregation during the given years he served. Parochial school was started under Rev. Kjelaas in 1891.

On July 23, 1893, Rev. Sjur Rislov preached his first sermon in the congregation and also served St. Pauli and Helgen for a period of eight years. His farewell Service being October 27, 1901. Rev. Rislov lived in a small house owned by Christian Larson just across the road East of where Julian Johnsons now live.

From October 1901 until 1902 the congregation was served by Rev. Flakoll of Bristol, SD and by other visitation pastors and seminary students.

Rev. John Madsen was called and began his duties as pastor on June 29, 1902. He served nine years. In 1902 a parsonage was built by the three congregations which at that time comprised a parish, namely, St. Pauli, Helgen, and Goodhue. Mr. and Mrs. Arthur Meland now own and live in that parsonage just South of the church.

In 1904 the present Church edifice was erected. Until that time, services had been conducted in the Meland school house. The Church was dedicated July 5, 1909 by Rev. Dahl.

Rev. L.J. Odland served as temporary pastor from October 1911 until June 1912 when Rev. J.J. Haanstad was installed. Rev. Haanstad guided the congregation throughout the years, including the trying winter of 1918-1919, when he laid to rest six members of the congregation in less than two months, a result of the "flu" epidemic. On March 23, 1923, God called our beloved pastor to his eternal rest.

The Rev. J.E. Jorgenson served the parish temporarily after Rev. Haanstad's death until Candidate of Theology, John O. Vold, was ordained July 13, 1924 in the Goodhue Church. He served until March, 1930. It was during Rev. Vold's pastorate that the Luther League was organized and remained quite active until the merger into the A.L.C. when a group called "Hi-League" took over. The Sunday School was also organized during his pastorate.

Rev. Jorgenson again served for a few months before Rev. C.K. Malmin conducted his first service on August 31, 1930. He served the Congregation until January 1937 when he moved to Raymond, WA. During Rev. Malmin's first year here, the old parsonage was sold and the Melvin Dahle home in Florence was purchased by the Florence Parish

for the new parsonage. During his tenure, the Constitution was re-written in the English language. A new schedule was adopted calling for three English services to one Norwegian service. An L.D.R. Club for girls was also organized by Mrs. Malmin. It had Mildred Olson as its first president. This club continued until the merger when it was discontinued.

Rev. L.J. Odland served temporarily from January 1937 to September 1937, on the latter date confirming a class of seven boys and four girls. Rev. A.H. Holm of Calgary, Alberta, Canada, was called as pastor and installed by Dr. L.A. Pierson on October 24, 1937. He served the congregation and parish for over four years. During his pastorate he organized a Sunday School for the Lutherans living South of Florence. This group met each Sunday at the parsonage for their sessions. This was done because there was no Lutheran Church of the Florence parish near enough so these children could attend regularly. Rev. Holm conducted his farewell service in the Goodhue Church on January, 25, 1942 and the following day he and his family moved to their new charge at Arlington, SD.

During Rev. Holm's pastorate the Norwegian language usage was discontinued in our services. We also observed our Golden Jubilee with appropriate services in June, 1938; Rev. C.M. Weswig was guest speaker and former pastors J.E. Jorgenson, J.O. Vold, C.K. Malmin and L.J. Odland were present.

Rev. C. O. Hofstad served as interim pastor for six months until Rev. H.M. Engh of Conrad, MT was installed in August 1943. The installation services were conducted by Dr. L.A. Pierson in the Goodhue Church.

On June 13, 1943, Candidate of Theology, Engvold Haanstad, was ordained in Goodhue Church with Dr. Pierson officiating. This service was one of the highlights of our church as it was the first son of our congregation to enter the ministry.

On June 17, 1944, a tornado descended on the town of Florence destroying, among other things, our parsonage and fatally injuring the mother of Mrs. Engh, Mrs. Larson. In the same storm, Mrs. Engh and her small daughter, Dorothy, were also injured. Two days following the tragic storm, the parish had purchased the M.F. Heintz home for a parsonage and the pastor's needs were being cared for.

Under the leadership of Rev. Engh, a Lutheran Brotherhood of our congregation, with St. Pauli, was organized in 1945. This continued for several years. Ultimately the name was changed to Men's Club and now contains members of the Wallace, St. Pauli, Waubay and Florence parishes, plus some from the Methodist, Baptist parish of Florence.

The Florence parish was grief stricken when they heard of the untimely passing of Mrs. J.O. Vold. Pastor Vold passed away some time later. They are both laid to rest in the Goodhue cemetery.

During Pastor Engh's pastorate the Church was wired for electricity, he doing the wiring. At this time, with the financial assistance of the W.M.F., our present church parlors was built.

At a special meeting in 1947, Nels Johnson and O.M. Olson were elected as a Committee to select a cornerstone to be set in the basement concrete. The marker bears the inscription "Goodhue Lutheran Church." Also the date 1904, when the church was built, and 1947, when the basement was completed. It was used for the first time October 5, 1947; the occasion being the reception following the marriage of Marguerite Jordeth

and Leslie McClung. The basement was officially dedicated at our Sixtieth Anniversary service, June 27, 1948.

Rev. Engh accepted a call to Fertile, MN and resigned in October 1952. Seminary students served this parish during the vacancy. In July, 1953 Pastor K. Stangeland accepted the call and was installed in the Florence parish. The Stangelands were here until June, 1957.

In 1954 our congregation adopted the pledge system favoring this system as being more in keeping with Christian Stewardship than apportionment. At this time our Sunday School time schedule was changed to run with the school year, with vacation in the summer. A Parish Board of Education was also started during Pastor Stangeland's tenure. Their responsibility was to call Sunday School teachers and Superintendent, coordinate a course of study, and aid in the instruction of the young.

In February 1957, Pastor Stangeland tendered his resignation having accepted a call to Chicago, IL.

A call then went out to Pastor Chris Christianson from Red Wing, MN. He accepted and was installed in July following his ordination. In the spring of 1958, with the financial aid of the Women's organization, and labor donated by the men, our sanctuary was redecorated. A carpenter was hired to supervise the job and when it was completed, he gave two white crosses hanging on the walls of the church auditorium.

New hymn books were purchased in 1959 after our congregation voted to join the new A.L.C. Our congregation also voted to adopt a new constitution in keeping with the joining the A.L.C.

In June of 1960, Gene Sikkink, son of Mr. and Mrs. Virgil Sikkink, was ordained in our church. This was the second son of our congregation to answer the call and we are justly proud to have had him call Goodhue his church home. Pastor Sikkink was ordained by Dr. E.O. Gilbertson, our District President.

In May 1960, Pastor Christianson resigned and moved to Ephrata, WA. The call went out and Pastor Alvin Brucklacher from Ross, ND accepted. He was installed at St. Pauli in October 1960 and had his farewell sermon June 4, 1967.

On June 24, 1962, a commissioning service was held in the Goodhue Church for Mr. and Mrs. Norris Meland, both members of our parish, who went to New Guinea and served as Missionaries there for a period of nine years. We are thankful that God saw fit to expand his kingdom through their labors in this endeavor. Upon their return to the States, they brought back and are sponsoring a native New Guinean girl, namely, Dongau Song, for a year's study in the Florence High School, and to introduce her to American culture and customs. We God's richest blessings upon Dongau and that she may be a great witness for Jesus Christ as she returns to her native land.

During Pastor Brucklacher's pastorate, a major re-alignment took place in our parish. As a result, St. Pauli severed its membership with the Florence parish and became affiliated with the Wallace parish.

Pastor Brucklacher tendered his resignation and accepted a call to Philip, SD. Then followed another period when our parish was served by seminary students, and laymen until Dennis Orsen accepted our call in 1967.

Pastor Orsen was ordained at Minneota, MN October 1 and installed in Goodhue October 15 by Dr. E.O. Gilbertson. After two years in our parish, Pastor Orsen accepted another call and we employed retired pastor Clarence Johnson of Holmquist, SD and

seminary students. Our plea went out again for another shepherd to lead our flock. This time, our present pastor, the Reverend David Hyland, responded. Rev. Hyland was ordained on June 28, 1970 at Forest City, IA and installed by Dr. E.O. Gilbertson on July 26th.

During the eighty-five years our congregation has been in existence, sixteen pastors have faithfully served our needs; six of whom are still in our midst, namely: Pastor Engh, now of Sioux Falls, SD; Pastor Stangeland of Chicago, IL; Pastor Christianson of Ephrata, WA; Pastor Brucklacher of Philip, SD; Pastor Orsen of Boston, MA; and Pastor Hyland of Florence, SD.

We are mindful of the many blessings God has bestowed upon us and the Christian heritage handed down by our pioneer forbears. May we always revere their memory. And we are especially thankful to God for the services of all the pastors and their wives who have given so much of themselves to keep ever before us, Jesus Christ and His salvation for us. To all of you, we say, "Thank you and God bless you."

Our Ladies' Auxiliary was organized in 1887. This organization has always worked hard and contributed generously to the Congregational needs and to Mission endeavors. They purchased the bell for the church during J.J. Haanstad's pastorate and it was rung for the first time the evening of the wedding of Olga Larson and Nels Johnson.

They also contributed and spurred the planning and building of the church parlors. Actual construction started on June 11, 1947. A carpenter was hired to assist with the building of the forms and additions to the main church; otherwise the work was done by free-will help. The work progressed well until harvest time when it was discontinued until after the busy season. The church parlors were first used for the wedding reception of Marguerite Jordeth and Leslie McClung on October 9, 1947.

Through a birthday offering, the ladies have been able to keep up the cemetery fence and pay for a new sidewalk in front of the Church. In 1958, the women paid for the material to seal the inside of the church. It had formerly been wainscoting. The men did the work, also the altar was painted at that time. This added much to the beauty of our house of worship.

In 1960 a son of the congregation, Gene Sikkink, was ordained into the ministry and shortly thereafter his parents, Mr. and Mrs. Virgil Sikkink, gave money for the new white paraments. The ladies then decided to give a purple one. Other items were given as memorials, etc.; green paraments, black shroud, Communion service, venetian blinds, yard light, & silver services for the church parlors.

Throughout the years the annual lutefisk supper was attended by many people in our midst, but, was discontinued several years ago and a Love" offering given instead.

In 1952 the W.M.F. inaugurated an Easter breakfast after early services.

For many years we also served an open house on 25th, 40th, and 50th wedding anniversaries if the family so wishes.

In the summer of 1962, because of heavy rainfall, our basement was severely damaged. The women again offered financial aid; the men doing the work, and the basement was entirely renovated by paint, new ceiling and new drapes. By the installation of a sump pump and dehumidifier, we hope the moisture will no longer create a problem.

In 1967 it was decided to purchase a new organ. Again the ladies accepted the challenge and through individual contributions and generous memorials by many families, the financial end was cared for.

The Sunday School was first organized by Rev. J.O. Vold in 1924. It has been discontinued and the children that were of Sunday School age have joined the New Helgen group.

For many years Goodhue has had a good musical program. Living up to the church's love of singing, we, for a number of years, maintained an active Senior Choir. They participated in both the fiftieth and sixtieth anniversaries.

Organists included Mrs. Einar Jordeth, Hilda Lovald, Mrs. O.M. Olson, Mrs. Arthur Haugen, Mary Bergan Jenkins and Gloria Haugen York.

While we were affiliated with St. Pauli, Miss Stella Ihlen served as our organist.

Since the re-alignment, Mrs. Orville Anderson and James Chilson have served as our organists.

1973-present March 31, 2006

A carpenter was hired to supervise the job of renovation and when it was completed, he gave two white crosses hanging on the walls of the church sanctuary.

The current congregation continues today with services on the third Sunday of June, July & August as well as the Easter Sunrise and special Memorial Day services. The membership consists of several 5th & 6th generation members of the original founding families and many others.

Photo by Erland Carlson

Pastors who have served Goodhue since 1973 include Pastor D. Hyland 1970-1975; Pastor D. Hansen 1975-1979; Pastor Norman I. Olson 1979-1988; Pastor B. N. Bringle 1988-1993; Pastor Robert Waite 1993-1998; Pastor J. Jackson 1998-2001; Pastors Dirk & Constanze Hagmaier 2001-2004; Pastor Gary Anderson 2004-present.

We appreciate the generous and continued support shown by members past and present, special friends of the congregation, the SD Historical Society and Deadwood Grants which allows for the preservation of this nationally registered historical site.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic.

Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of the St. Pauli Lutheran Congregation (1883-1953)

The events of the past are always colored by the heritage which preceded them. This is also true of the beginning and periodic growth of the St. Pauli Evangelical Lutheran Church.

The immigrants to the United States from the Scandinavian countries carried with them a thorough knowledge of God and faith in him. As they settled in their new country, they could not forget the spiritual heritage of the past. Sometimes groups would gather in a home or school house to share the Word of God.

The history of the St. Pauli congregation has its beginning in the year of 1883, when nine men met for the purpose of organizing a congregation. These men were Anders Aaby, Ingebrigt Loveng, Hans A. Wibeto, John J. Ustrud, Ole H. Wibeto, Andreas Stuverud, Peder Markrud, Johannes Aaby and John Stromme.

The locality where the St. Pauli Church is located was settled in the years 1881-1883. The majority of the settlers were of Norwegian descent, the sons and daughters of immigrants of older settlements.

The first pastor to visit the settlement was Rev. L.O. Sherven. It was under the guidance of Rev. Anders Nilsen that the congregation was organized on April 3, 1883, by nine men signing a declaration combining and constituting themselves into the St. Pauli Norwegian Evangelical Lutheran Congregation, acknowledging the Holy Scripture as the only rule and guide for faith, doctrine and life.

Rev. Sherven served the new congregation until Rev. Nilsen was called as pastor by the St. Pauli and Helgen congregations. The congregations were to provide transportation for the pastor and services were held one a month in the homes of the members.

The Ustrud schoolhouse was used for worship for a time after it was built but there was a longing in the hearts of the settlers for a Church building. On July 14, 1883, the congregation held a meeting and selected the present site for cemetery and Church building. In 1886, both the Wheatland and the St. Pauli Ladies' Aids were organized with the primary object of raising funds for a Church building. During the summer of 1886?? the congregation took subscriptions for building and during the summer of 1890, the Church was built at a cost of \$1,304.65.

In 1892, began a trial period for the congregation. The new Church was struck by lightning and burned to the ground. Rev. Nilsen contracted a serious illness that later resulted in his death. The years of 1893-1895 were dry ones and the farmers of the community contacted many debts, therefore thoughts of rebuilding the Church took the background for several years. However, the thoughts of rebuilding were not dead and the Ladies' Aids worked steadily towards raising money for a new Church. A young people's society was organized in 1896 to raise money for the same purpose. In 1899, a subscription was taken and in the fall of 1900, the cornerstone of the new Church was laid by Rev. Granskou, who gave the congregation temporary service during Rev. Nilsen's illness and also following his death until Rev. Rislov accepted the call in 1893.

In 1901, Rev. Rislov resigned and Rev. John Madsen was called as the new pastor in 1902.

The congregation's societies worked continuously for furnishing of the Church and in 1904, the Church was provided with baptismal font, altar, pulpit and cluster lamps, as well as a Church bell. This Church was constructed by three members of the congregation, Lars Hagen, August Faehn and Halvor Markrud, with the assistance of members.

From that time the congregation developed more and more activity in the Church work outside the congregation and in ???tain years the congregations' local expenses were exceeded by contributions to outside activities.

Rev. Madsen resigned in 1912 and Rev. John Haanstad assumed the charge the same year. He served as pastor until his death in 1923. Rev. E. Jorgenson then served temporarily until Rev. John Vold was installed as pastor in 1924.

On October 5, 1924, the Young People's Society was reorganized as the St. Pauli Luther League, and in 1927, the two aids were combined into one society in the name of St. Pauli Ladies Aid. In that year a Church basement was built at a cost of \$2,19????and the aid provided \$1,328 of that amount and have since held their meetings there. In later years the Luther League installed a Delco light plant and also purchased a piano for the Church.

Rev. Vold resigned in 1930 and Rev. C.K.Malmin accepted the call and was installed in August 1930. Rev. Malmin served the congregation for over six years and resigned Oct. 21, 1936, to accept a call to Raymond, WA.

Rev. L.J.Odland served temporarily until Rev. A.H. Holm was installed as pastor on October 24, 1937. Pastor Holm served the congregation until Nov. 1941, when he accepted a call to Arlington, SD.

Rev. Hofstad temporarily served as pastor until August 1942, when Rev. Harold Engh came to serve as permanent pastor. On June 17, 1944, during Pastor Engh's pastorate, a tornado swept through the Florence area destroying the parish parsonage and with it all of the ministerial records of the parish. Upon quick action by the trustees for the four congregations of our parish, the M.F. Heintz residence in Florence was purchased for a parsonage on June 19, 1944.

Rev. Engh served as pastor until Oct. 5, 1952, when he accepted a call to Fertile, MN. The parish was without the services of a pastor until the present pastor, Rev. Kenneth Stangeland was installed on July 26, 1953.

During the period the parish was without the services of a regular pastor, services were conducted by students from the St. Paul Theological Seminary and in many instances neighboring pastors were called upon.

The congregation has been conscious of its duty in extending the Kingdom through the teaching of the Word by maintaining Sunday School, vacation Bible school and confirmation instruction.

During the first 25 years, the regular services and other Church work were carried on exclusively in the Norwegian language. However, English gradually came into use and for a time one half of the regular services were in English and in 1941, the Norwegian services were discontinued.

Down through the years the congregation has had choirs that have furnished cheer and edification to Church services.

The ministerial records show that during the first fifty years 491 children have been baptized, 318 young people confirmed, 75 couples united in marriage and 165 laid to rest in the cemetery. Accurate records beyond the first fifty years are not available due to the loss of all ministerial records by the Florence tornado. At the present time, St. Pauli has approximately 175 confirmed members.

An item of interest is the record of the first confirmation class of the St. Pauli Church. The first confirmation was held on August 7, 1887, by Rev. Anders Nilsen. The members of that class were: Tom Hagen, Mrs. Frederick Faehn, Anna Josephine Knudson, Susan Bergen, Bertha Fjelstad, Anton Urevig, Oscar Hogstad, Annie Hogstad, Minnie Jameson, Mrs. Inga Sakariason, Carrie Loveng, Andrew Hegg and Tom Bergen.

The first persons to be baptized in the present Church were Ida Ekse and Halmer Wibeto.

The only son of the congregation to be ordained into the ministry is Rev. Elmer Larson, a grandson of E.T. Hegna. Rev. Larson is presently the pastor at Ada, MN.

In 1949, the Church basement and the interior of the Church proper were redecorated. This project was financed by the Ladies' Aid and the work was donated by members of the congregation under the direction of Horace Ustrud and Pastor Engh. In 1948, the R.E.A.

constructed power lines past the Church and the Church was rewired for connection to the R.E.A.

The present Board of Officers of the Church are: Trustees: Bennet Haugen, Louis Munson, Theo. Lovick, Oscar Eik and Lawrence Hagen. Secretary: Aldrow Kinstad. Treasurer: Adolph Hogstad. Custodian: Halmer Wibeto. Organist Stella Ihlen.

Today as we observe the 70th anniversary of our congregation, we bow in humble gratitude to God who has sustained and blessed us through the years. We are thankful for the faithful servants who have served us. We are thankful for our house of worship and the sacred memories attached to it. But most of all we are thankful that “we are God’s house of living stones, built for His habitation.” May we ever be that. It is our prayer for the future that God will keep alive in us the living faith in Jesus Christ as our Lord and Savior.

History of the St. Pauli Ladies Aid

Could we turn back the pages of time to a certain afternoon in March, 1886, we might look in on a small, but earnest group of women meeting together at the Mads Fiksdal home. The purpose—To see what could be done about starting a Ladies Aid where the women could work together to sew and knit garments later to be sold and the money to go toward helping to build a church. A church they might call their own! Where they might hear the Word of God preached, where they might blend their voices with others in the beloved hymns of the church and last but not least, their children could receive Christian instruction.

There were four women present at that first meeting: namely, Ingeranna Fiksdal, Guri Langeland, Ingeberg Stormo and Margrethe Fosse. Mrs. Langeland was chosen as the first leader. They called themselves, “The Wheatland Ladies Aid.”

The ladies came to the meetings by whatever means they could, lumber wagons, even drawn by oxen was not an uncommon sight. If it were not too far they walked. Three or four miles did not stop them from being present. This work they were doing was important. They were helping to build a church on the prairie where they and their children after them might worship God.

At a 17th of May Festival held at the Ustrud school house in 1887, Pastor Nilsen suggested that the ladies south of the Church start another “Aid” as the distance between those up north and those on the south side was too great for them to get together, considering the means of transportation in those days.

So on the first Thursday in June 1887, a group of women met in the Halvor Okland home and the St. Pauli Ladies Aid was organized. The charter members were: Mrs. Hans Wibeto, Mrs. E.T.Hegna, Mrs. Andreas Hogstad, Mrs. Hans Ustrud, Mrs. Andreas Kinstad, Mrs. Andreas Stuverud, Mrs. Anton Haugen and Mrs. Halvor Okland. Mrs. Okland became the first President, she and her family however, moved away the following year.

The purpose of this new “Aid” was chiefly at first to help build and furnish the church. Their earliest method of securing money was by making garments. At the meeting every one was busy sewing or knitting. Goods was purchased by the yard, garments were cut out and each one took material home to sew also. Every summer or fall a bazaar was held and the money was turned over to be used for the church.

These women, too, came to the meetings by any means available at that time. Many walked and as they walked they continued to knit, so no time was wasted.

Besides all the work done and contributions made to the local church these aids have supported both the Foreign and Home Missions generously.

The two aids joined in May, 1927, under the name of the St. Pauli Ladies Aid and a new constitution was written and adopted.

The first meeting was held in the new church basement Nov. 3, 1927.

Three golden wedding have been celebrated in our church, namely: Mr. and Mrs. Anton Haugen, Mr. and Mrs. J.J.Lee and Mr. and Mrs. P.J. Munson. Over 90 babies have been enrolled

in the cradle roll. Constance Vold, daughter of Rev. And Mrs. J.O.Vold, was the first baby enrolled. Each member received a Testament as they graduated from the cradle roll.

In February, 1949, plans were made to completely refinish the interior of the church and the basement dining room walls. Pastor Engh and Horace Ustrud drew the plans and the men of the congregation helped with the work.

In 1950, we discontinued paying monthly dues. We now give the Worship Offerings. The Cheer Committee remembers the sick and shut-ins with gifts, flowers and words of comfort.

The Goodhue-St. Pauli Brotherhood

On Monday evening, October 22, 1945, some of the men of Goodhue and St. Pauli Congregations met together with the Pastor Rev. H.M. Engh and Rev. A.E. Iverson, Executive Secretary of the Lutheran Brotherhood, in a joint session at the St. Pauli Church to discuss the feasibility of organizing a Lutheran Brotherhood.

On Oct. 29, 1945, a committee met to lay the preliminary plans for the organization of the Brotherhood.

The programs have been instructive and up-lifting and often have been highlighted with addresses by outstanding speakers and featured by colorful and educational slides and movies. The annual Father-Son Banquet has been an event of good fellowship.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic.

Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of St. Maurice & Blessed Sacrament Parish (1889-1989)

As the 1870 homestead settlements sprang up in Dakota Territory, one, of German descent, settled at Kranzburg, in Eastern Codington County. A Catholic Church was built there in 1879, with a resident "traveling" Pastor. As other sites developed, the Kranzburg priests reached out to serve neighboring settlements.

Among the many locations served from Kranzburg, was a group of predominantly German Catholics who first settled in 1879 at Esterly, fifteen miles Northwest of Watertown. The first Masses at Esterly were celebrated in claim shanty homes whenever the priest arrived there.

In the early 1880's a public school was built, the 19th District School of Codington County. The schoolroom was then used for celebrating Mass and Sacraments. The first priests at Esterly, traveling from Kranzburg, were Father Bergmann and Father Albrecht.

For a number of years, in the early 1880's, the priest from Webster, Father Mensing, made more regular monthly visits to Esterly, by way of the Watertown-Webster Stagecoach Line. A railroad line was also being completed during those years, connecting Watertown with Aberdeen.

On May 6, 1884, Theresa and Bernard Hoverstadt signed papers to donate five acres of land for a church and cemetery site at Esterly. The document was made with Bishop Martin Marty, then residing at Yankton. A crude fence was put around the acreage, and burials began in the consecrated ground in what is to this day the parish cemetery.

On October 30, 1890, a four acre plat of land (two miles north and ½ mile east of Florence) was donated by Laurenz and Theresia Tschakert. This, too, was given to Bishop Martin Marty, then of Sioux Falls (1889-1895), and designated as the St. Laurenz Cemetery. Later, most of the remains were disinterred and buried elsewhere, and the acreage became a part of the farmland, though not all of the tombstones and remains have been removed.

Father Wernick (1889-1895) from Watertown, was the next priest to serve the people of Esterly. Immediately, in 1889, he supervised construction of a church. The church, constructed by the people, was 50 feet by 30 feet, with a 50 foot steeple. In November 1889, Bishop Marty dedicated the church as St. Maurice. The Sacrament of Confirmation was administered on this visit, with final instruction given by the Bishop himself. St. Maurice Parish at Esterly, being dedicated in 1889, coincided with the year of South Dakota's Statehood and also the founding of the Diocese of Sioux Falls. When Bishop Marty was transferred to St. Cloud in 1895, Father Wernick accompanied him as his secretary. Bishop Thomas O'Gorman (1896-1922) succeeded as Bishop of Sioux Falls Diocese.

For many of the following years, St. Maurice, Esterly continued to be served by priests from Watertown. From 1895-1903, newly-ordained Father Peter H. Lauer served. During his pastorate the church debt was paid and the following improvements were made in the church: the interior was plastered and painted, a new high altar, pews and oil painting stations of the cross were purchased, and a bell was installed. The bell, donated by Anna (Mrs. Joe) Miller, had these words inscribed: "St. Ann, Pray For Us." (Ben Ronke, grandson of Anna Miller, recalls how he helped when the bell was taken from Esterly and installed in the new church at Florence.) Father Lauer had several assistants who helped at Esterly: Father Joachim, O.S.B., Father Flynn (first ordained priest of this Diocese), Father Flood, Father Bomsetiere, and Father Dooley.

Father B. J. Birkle (1903-1905) was authorized by Bishop O'Gorman to construct a rectory in 1904, so he became the first resident pastor at Esterly. (This rectory was bought for \$1,000.00 in 1919 by Dr. George F. Pugh, and moved to Florence, where it was used as his hospital. Presently it is the home of Gladys and Lyle Thorson.) In 1904, Waverly was attached as a mission of Esterly.

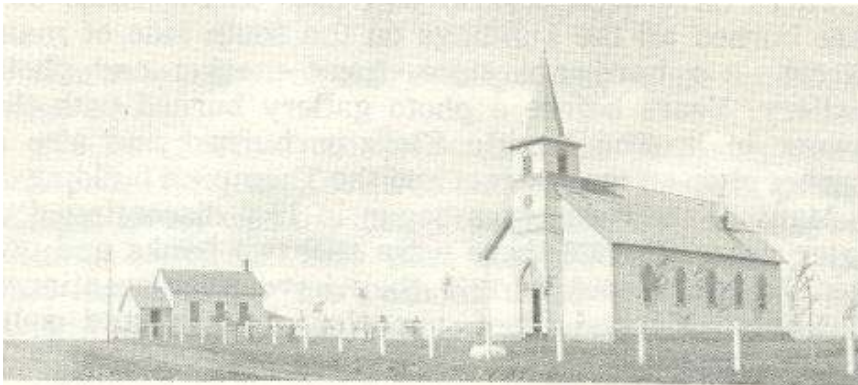

In 1906, 5½ miles west of Esterly, the growing town of Florence was established. With a railroad line going through it, Florence flourished. Esterly, with its school, church, rectory, and grocery store, but without a railroad, had its future determined.

Father F.J. Twohig, O.P., was assigned to pastor Esterly out of Watertown in 1906 and 1907, as well as Father John J. Kettler for part of 1907. The majority of the rectory debt was paid in Father Twohig's time.

Father Nicolaus Stoltz (1907-1912) became resident pastor later in 1907; During his years the church was enlarged, the furnace installed, and in 1908 Bishop O'Gorman came to confer the Sacrament of Confirmation. While Father Stoltz served, Waverly and Revillo were detached as missions, and Crocker and Lily were joined as missions of Esterly.

The next pastor was Father Hugo Victor (1912-1914). Several priests were assigned to Esterly for short periods of time from 1914-1918: Father Joseph Duffy (1914-1915), Father Nicolaus Stoltz (1915-1917), and from Revillo, Father Alex Buechler (1917-1918). Father Buechler covered Esterly while a church was being planned and constructed at Florence.

In 1918, Father Joseph Patrick Veaser (1918-1922) was assigned from Watertown to organize and direct construction of a church at Florence. Plans and specifications were made by Antone Dohman, architect, and Herman Jeub from Minneapolis, Minnesota was contractor and builder. Two lots were purchased for the church, and a house ½ block south of the church was purchased for the rectory. (This first rectory in Florence was sold in 1963 to Ed and Selma Maag for \$4,000.00. It is presently the home of Josephine and James Stemwedel.) In 1919 the cornerstone was placed in the new Blessed Sacrament Church of Florence. Helen Kahnke Grygiel was the first to receive the sacrament of Baptism in the new church. An interesting anecdote-the insurance cost for the Florence church and rectory in 1919 was \$188.45.

Unknown Photo

When St. Maurice, Esterly was closed and transferred to Blessed Sacrament Parish of Florence, the buildings at Esterly were sold and removed, but the acreage continued to

be the parish cemetery. The old

church and out buildings (horse carriage shed) were sold for \$972.00. They were torn down by Alex Byer and Maurice Jankord. Some of the wood and one stained glass window were used in building a garage (still standing on the Herman Byer farm).

For a short time in 1922, Father John Pohlen, O.M.I. was pastor. He was a musician and even gave music lessons. After leaving Florence, he served in Sisseton. From 1922 to 1925, Father James J. O'Brien was pastor. For a few months, from September to November 1924, Father M. Mennis was the priest. From December 1925 to November

1927, the pastor was Father Clarence J. Garry, followed by Father B.J. Maguire from November 15, 1927 to June 1928.

Father Joseph Carl Stammeyer came to Blessed Sacrament in June 1928, and served until February of 1954. In the 1930's, a St. Paul Bank closure resulted in the loss of Blessed Sacrament church and rectory. Refinancing was done with help from the Diocese, under Bishop Bernard Mahoney (1922-1939) and Bishop William O. Brady (1939-1957). Father Stammeyer gave monies from his farmland, and also partly owned and managed the weekly newspaper "The Florence Forum" to help the parish pay back the loan. In 1940, the \$5,500.00 debt to the Diocese was paid. In 1946 the parish purchased and installed a theatre pipe organ for the church, which is still used today. In 1950, new stations of the cross were installed.

Father Stammeyer is also remembered for managing the baseball team, and for sponsoring dances in the town hall. The parish at Lily had been detached from Florence, and the parish at Crocker had been closed by the time Father Stammeyer left.

For the next eighteen years (February 1954-June 1972), Father John Nieborski was the assigned pastor of Blessed Sacrament. Numerous changes and improvements took place during those years. The plain windows in the church were replaced with stained glass, the church floor was tiled and partially carpeted, the church was painted, and the pews were refurbished. During 1963 to 1965 the parish took on the construction of a spacious new brick rectory, with a chapel and classrooms in the basement, and joined to the north side of the church with a tunnel. Vince Byer was the construction contractor. Many improvements were made in the church basement, especially in the kitchen area. On the front lawn, Father John enshrined the statue of Mary, with a flower garden in front of it.

The Second Vatican Council brought many more changes in the liturgical and sacramental life of the parish and of the whole church. In the 1960's, Father John began some of those renewals at Blessed Sacrament. The altar table from the high altar was moved forward for Mass with the priest facing the people, the communion railing was removed, and English became the language of the Mass. Other improvements during Fr. John's pastorate included changing the church furnace from coal to fuel oil, remodeling the basement area, new vestments for Mass, and continued growth of the religious education program and church music. In July and August of 1960, Father Joseph Deskiewicz served at Florence while Father John was in poor health, but Father John returned and served twelve more years. When Father John moved, Father Ed Pierce administered the parish for one month until the new pastor arrived.

Father Zygmunt Dzierzek, O.M.I. (July 1972-May 1979) was appointed the next pastor of Blessed Sacrament. Father continued the education and changes as church renewal expanded. In 1974 the church interior was painted by Schettler Studios of Carroll, Iowa. The sanctuary and aisles were carpeted, and in 1973 the present tabernacle was purchased and placed on the south side altar. The church walls began to bulge outward, making it necessary for the men of the parish to fasten them with a holding rod near the choir loft area. The religious education program for the children continued to develop. Father Zygmunt was able to get school desks from the Tekakwitha Indian School in Sisseton for the CCD classrooms.

It was a big moment for Blessed Sacrament Parish on June 3, 1976, when one of its own members, Michael Wensing, was ordained at the Cathedral in Sioux Falls, by Bishop Lambert A. Hoch (1957-1978). Father Mike celebrated his First Mass at Florence on Sunday, June 6, 1976. Father Mike is the son of Glenn and Dolores (Leemhuis) Wensing. Since ordination, Father has served in several parishes, taught at O’Gorman High School, and served as vocation and youth director of the Diocese, until 1982 when he went to Rome. He completed his Licentiate Degree (S.T.L.) in June 1985, then returned to become chaplain at the Newman Center in Vermillion, South Dakota, where he is now serving.

Father Zygmunt moved in May 1979, and Father Robert Vinslauskis covered the parish in June until the new pastor, Father Denis Meier, arrived in July. Father Denis served from July 3, 1979 to September 15, 1987. In 1983, Henry parish was attached as a mission of Florence, and on February 1, 1985, Waverly was detached.

Over the years, Sisters of Presentation Heights in Aberdeen and of Mother of God Priory in Watertown served the parish at Florence in summer religious education programs. In August of 1979, the parish hired Sister Marlene Konrady of Watertown as a part-time Pastoral Associate. Sister Adel Sautner followed in that position from August 1982 to July 1985. Sister Marlene was rehired from July 1985 to September 1987, serving as Pastoral Associate for Fr. Denis at Florence and Henry, as well as with Father Jerome Kopel at Clark.

More improvements continued while Father Denis served. The CCD classrooms were painted and carpeted, the pipe organ was rebuilt and additional voices added to create an improved church organ sound. (Eugene Doult of Watertown rebuilt the organ in 1982.) New stairs were put in the back of church to the basement, the original altar table was pushed into the high altar structure, and a new tabernacle altar was built, as the previous one became the main altar for Mass. Father Denis helped organize the Blessed Sacrament Cemetery Association and had the cemetery replatted. A joint Lutheran/Catholic parking lot was cleared across the street.

It was another big day for the parish of Blessed Sacrament when, on May 22, 1982, a second parish son, Gregory Tschakert, was ordained by Bishop Paul V. Dudley (1978-) at Florence Church. Fr. Greg's parents are Agnes (Grygiel) and the late Everett Tschakert. After his ordination, Father Greg served at St. Mary's Parish in Aberdeen. He then completed graduate studies at the University of Ottawa in Ontario, Canada, receiving his license in canon law in 1987. In June of 1987, he was appointed the Chancellor of the Diocese of Sioux Falls and pastor of the parish at Huntimer, South Dakota.

On September 15, 1987, Bishop Dudley chose a new arrangement for coverage of parishes in this area. Sister Marlene Konrady was appointed as Pastoral Administrator of Florence and Henry parishes, to reside at the Florence rectory. She also continued as Pastoral Associate at Clark. Father Jerome Kopel, continuing as pastor of Clark and Grover, was appointed as Canonical Pastor (Liturgist) of Florence and Henry. In carrying out those new positions, Father Kopel celebrates the Mass and Sacraments, while Sister Marlene is responsible for all other aspects of parish life at Florence and Henry.

Life has changed in the parish in regards to scheduling, with four parishes to consider, but even more so in the involvement of the laity in all aspects of parish life and ministry. The people of Blessed Sacrament have continued to respond beautifully to the call to serve and support their church. They are proud of their parish. Improvements continue as a Finance Board was appointed, a walkway was built across the ditch in front of the church for access to the new parking lot, risers were built for pews in the choir loft, the archway in the sanctuary was painted, and much time and effort was put into this history and pictorial directory. With everyone's help, we will have a celebration to remember as we gather with Bishop Dudley for dinner on July 9, 1989, to celebrate our parish Centennial Year. Our prayer is that the parishioners of Blessed Sacrament, Florence, continue to experience our Centennial Theme: "It is in giving that we receive."

St. Luke's Cemetery, Germantown Township, Codington County, South Dakota

Location: NW corner of NE ¼ of Section 26 of Germantown Twp.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic.

Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of St. Luke's Evangelical Lutheran Church (1888-1963)

This historical sketch is not as complete as one would like it due to the fact that many of the records are not clear and in some instances the records are incomplete. To the best of our knowledge the history, which follows, is accurate. (As of 1963)

Photo Unknown

The origin of St. Luke's Evangelical Lutheran Church begins with the Christian families who moved to South Dakota from Minnesota and Wisconsin in the 1870's. At first these Lutherans gathered together on Sundays in their sod huts and conducted their own worship. The first Pastor to serve them was Pastor C. Boetcher. Pastor Boetcher was a traveling Missionary whose base of operation was Marshall, Minnesota. He served groups of Christians at Germantown, Mazeppa, Rauville, and Watertown from 1880 to 1884. They held their church services in schools and homes in the area.

In 1884 Pastor F. Johl was called by the four groups to be their first resident

Pastor. These Lutherans decided that they should build a parsonage for their

Pastor. It was built on a piece of land 2½ miles South of the St. John's Ev. Lutheran Church of Rauville, which was given by Mr. Ludwig Rau.

The need for a church building became more apparent as the years went past. The people who lived North of Watertown could not decide where the Church should be located. Therefore in 1887 since no agreement could be reached approximately twenty families left the main group and met at the home of Mr. Henry Lange. They decided that the building should be placed on the four-acre tract of land, which had been given by Mr. Henry Lange. Mr. Lange gave this land in memory of his mother and brother who had lost their lives in a blizzard on March 20, 1882. The land was to be used for a cemetery and a Church. One can still see the stone, which marks the grave of the mother and her son in the Northeast corner of the cemetery. When the men decided where the structure was to be placed they went ahead with their plans for the building of the Church. In February of 1888 the lumber for the new Church was hauled from Watertown. Our first house of worship was dedicated in the summer of the same year. The first Church was not the exact structure, which we have today. It was a small rectangular building about twenty feet by thirty feet.

The first Pastor to serve this congregation in its new Church was Pastor A.L. Luebbert. He served this congregation as well as the Lutherans in Watertown and the neighboring townships. During the years that Pastor Luebbert served these people the families in the Rauville Township and in the Mazeppa Township decided that they should organize and build Churches for themselves. Pastor Luebbert served here until 1897.

Pastor Polzin was the last Pastor to serve all four of the communities at one time. He came in 1897 and served until 1905. He lived in the parsonage in the Rauville township. In the last year of his stay in this area the Immanuel Ev. Lutheran Church in South Shore had its beginning.

Pastor P. Hinderer was called by the Churches at Germantown, Mazeppa, and South Shore in 1905. It was in this year that the families at Germantown saw fit to build a parsonage for their Pastor. It was a two-story frame house, which sat East of the Church. At the same time they built a barn and coal shed East of the Church. Pastor Hinderer served the three congregations longer than any other Pastor. He served them from 1905 until 1919 for a period of fourteen years.

After Pastor Hinderer left, the three congregations called Pastor J. Carl Bast to serve them. He came and served for three years beginning in 1919. It was during his time that it was decided by the folks at St. Luke's that their Church should be enlarged and remodeled. The congregation selected Julius Schmeling, H.C. Kannas and Rudolf Zielsky to be their building committee. This committee presented plans for the work in the spring of 1921. These plans were adopted. They called for the old Church to be raised and a new foundation put under it. A South wing was to be built on which would more than double the seating capacity of the Church, the old steeple was to be removed and a new entry built which would have a higher tower, the style of the windows in the Church was to be changed, new pews were to be purchased and a furnace was to be installed to replace the space heater of the old Church. The men of the congregation did most of the work including the assembling of the pews. The present structure was completed that year and Nov. 13, 1921 Pastor Scharf of Roscoe, So. Dakota, held a dedicatory service.

In 1921 St. John's of Mazeppa decided that they would go self-supporting and they called Pastor Bast to be their Pastor and he accepted the call. At that time Germantown and South Shore formed a double parish and called Pastor F. Kolander in 1922. This double parish consisting of Germantown and South Shore has been in existence since that time until the present. Pastor Kolander served until 1927.

Pastor Lenz accepted the call to serve here and served these families for four years. The congregations decided with the advice and consent of the Pastor that the village of South Shore offered more conveniences for the Pastor. Therefore in November of 1923 the parsonage at Germantown was sold to Mr. Katz. The barn and coal shed were sold at the same time but to different parties. In 1929 the new owner of the parsonage moved it to a farm a few miles West and South of the Church. The congregations rented different homes in the village for the next thirteen years.

When Pastor Lenz left in 1932 the longest vacancy which St. Luke's ever had began and it lasted for five years. During this time Pastor Keturakat of Mazeppa served as vacancy Pastor for St. Luke's. Immanuel was first served by Pastor Erhart and then by Pastor Schlegel. The congregations came through these very hard times and in 1937 they extended a call to Pastor H.C. Buch. Pastor Buch accepted and served here for two years. In the Summer of 1938 St. Luke's together with several sister congregations joined in prayer, song, sermons and contribution in order to give thanks to God for the blessings which He had bestowed on them during the fifty years they had worshipped in their Church. A special commemorative bulletin was printed for the occasion. Mr. Herman Meseberg Sr, Mrs. Charles Kannas and Mr. Rudolf Zielsky were the men selected to prepare the history contained in the bulletin.

Pastor Buch left in 1939 creating a vacancy, which was filled by Pastor Lemke of Rauville. In 1940 Pastor Charles Found came to serve St. Luke's and Immanuel. In July of 1940 the two congregations decided that they should purchase a home in South Shore for their Pastor. At that time a home owned by Mr. John Stainocher was available to the two Churches and in a special meeting they decided to purchase it. In the course of the following years many improvements were made; a bathroom was installed, a garage built, a vestibule built, it was insulated, and a furnace was installed. Pastor Found left these congregations in 1947.

During the interim between Pastor Found and Pastor Winkel, Pastor Steffenhagen served as the vacancy Pastor. Pastor Winkel arrived in South Dakota in 1948. The next improvement in the Church came in the fall of 1949 when the congregation decided that they should wire the Church for electricity. Four years later the decision was made that the entire interior of the Church should be redone. The Nu-Wood panels, which cover the walls and ceiling, were installed at that

time. The woodwork and the floor were also refinished at that time. Pastor Winkel accepted a call to Sparta, Wisconsin in 1955.

Pastor Borgschatz of Mazeppa served as the vacancy Pastor. It was during that time that St. Luke's organized their first regular Sunday School. Mrs. George Kannas was the first Superintendent of the Sunday School and she has faithfully served the congregation in this capacity until the present time.

St. Luke's Evangelical Lutheran Church in Germantown Township was built in 1888.

Pastor W.L. Beckendorf was installed in 1955. Pastor Beckendorf remained in South Dakota until November of 1958. It was while he was here that St. Luke's Ladies Aid was first organized. The first meeting was held at the home of Mrs. George Kannas on October 20, 1955. At this meeting the constitution was accepted and signed by fourteen ladies. The first officers of the Aid were Mrs. Verlen Kannas, president; Mrs. Lester Kannas, vice president; Mrs. W.L. Beckendorf, secretary; Mrs. Ralph Kannas, treasurer. In the few years which the Aid has been in existence it has given support to many worth while projects such as: sending clothes to Germany; money to missions; food for the academy at Mobridge, and gifts for Bethesda. They also have projects at home, flowers for the altar, paint for the basement, dishes for the basement, and books for the Church, to mention but a few. Their latest project was the purchase of twenty-five Samsonite folding chairs for the Church. The present officers of the aid are Mrs. Maurice Borns, president; Mrs. Harold Adolphsen, vice president; Mrs. Lester Kannas, secretary; Mrs. Frank Borns, treasurer.

It was during this year that St. Luke's explored the idea of purchasing an electric organ. After discussion and study they selected a Wurlitzer organ and bought it from David Piano and Organ Company of Watertown. The new organ was dedicated to the Glory of God on Easter Sunday, April 14, 1957. Pastor C. Albrecht of Grover, S. Dak. was the guest speaker and Mrs. Rollo Korth was the guest organist.

On June 21, 1959 Pastor A.P.C. Kell, who had served as the vacancy Pastor since November of 1958 installed Vicar Cox as the temporary Pastor. Vicar Cox was to serve here for one year and then return to the Seminary at Mequon to finish his preparation for the public ministry. It is of interest to note that since Pastor Cox left South Dakota he has finished his studies at the seminary and has accepted the call to be one of our synod's foreign Missionaries and is serving in Africa. In the spring of 1960 Pastor R. Schultz accepted the call to serve St. Luke's and

Immanuel. Mr. Jacob Carlson of South Shore moved Cox back to Wisconsin and brought the furniture of Pastor Schultz back.

Pastor Schultz served until the winter of 1961-1962. Pastor Schneider from Goodwin, served as the vacancy Pastor until Pastor Werner arrived in July of 1962. In the past year the two congregations have decided that it would be good stewardship to build a new parsonage rather than to continue to repair and remodel the old one. At the time of the writing of this history the carpenters are in the midst of construction. It is hoped that the parsonage can be dedicated in late August or early September.

The records show that various men have held positions in the Church. That list would be too long to print here. However we should like to list the charter members of the congregation and the present officers of the Church; The Charter members: Wm. Schmeling, Ludwig Grewing, Henry Lange, Fred Borns, Wm. Neuendorf, Ferd. Zielsky, Ferd. Schmeling, Ferd. Boeder, Herman Lange, F.C.Lentz, W.G.Lentz, Otto Zielsky, August Strege, Albert Lentz, Wm. Kannas, F.W. Stein, Gotfried Selchert, Wm. Klipstein, August Bahr, and Julius Schmeling. The present church officers are George E. Selchert Jr. Chairman, Maurice Borns secretary, Dale Schmeling treasurer, Fred Matthes, Howard Selchert, and Mervin Moyer elders, George Kannas, Frank Borns and Harold Adolphsen trustees, Orlynn Noeldner and Lester Kannas stewardship committee, Louis Zielsky and Morris Noeldner cemetery committee. The three trustees are on the joint building committee with men from South Shore for the building of the parsonage and the elders are on a joint finance committee for that purpose.

Points of Interest

In checking the Baptismal records we find that in 1884 Anna Lentz was baptized. She is now Mrs. Louis Neuendorf and lives in Horicon, Wisconsin. We also find that in 1885 Emil Borns and Rueben Zielsky were baptized. 439 people were baptized during the seventy-five years.

The first confirmation class graduated in 1889.

267 were confirmed through the years (no record kept 1919-1924)

110 marriages were performed

97 souls were called to their eternal reward.

St. Luke's no longer stands. They went together with Immanuel's W.E.L.S. of South Shore. A new church was built in 1963 naming it Our Savior's Lutheran Church of South Shore. Many Borns' descendants are still members there.

The members of Our Savior's attended final worship service in the Germantown Church on Sunday, October 20, 1968. The occasion was marked by a special German service followed by an English service.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of Graceland Congregation (1888-1973)

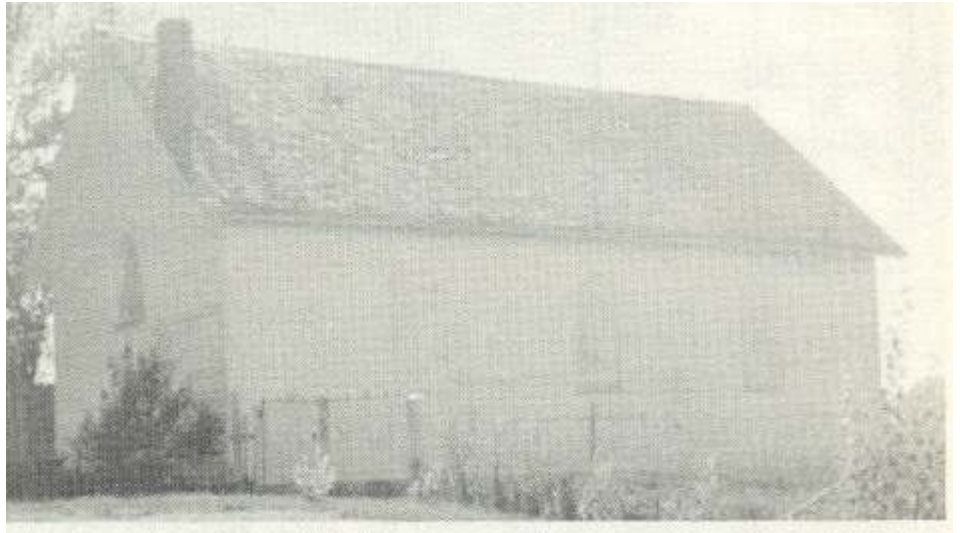

Location: NE ¼ of Section 7 of Graceland Twp

GPS Latitude / Longitude: (Degrees / Minutes / Seconds)

N. 44° 57' 47.3" W. -097° 28' 27.4"

Directions: Go N from Henry on 437th Ave 6 miles

A preacher named Graves was working in the Graceland Township, Codington County area trying to get a church established. He never did live long enough to see his project completed. In 1890 he died and was buried close to where the church was being built. The church was completed in 1892. Following his burial other

early settlers were buried in that location which was then recognized as the Graceland Cemetery.

Unknown Photo

In 1904 the trustees of the Graceland Church of the United Brethren in Christ ordered that cemetery lots be bought by those interested.

The last regular church service was held in 1947 and the parishioners built a church in Garden City, thus dissolving the Graceland Congregation.

In the 1950's because of road construction, the church was moved a short distance to the southwest into the cemetery.

In 1975 trees were planted on the south and west side of the cemetery.

In 1975 a Graceland Cemetery Board was formed. This board consisted of Albert

Scott, Harold Hansen, Anna David, Elinor Flury and Raymond Christensen.

In 1978 an Ornamental Graceland Cemetery sign was put up in the SE corner of the cemetery.

A restoration of the church was begun in 1999 and completed in 2000. This consisted of a new roof, new ceiling and necessary improvements on the interior of the church. An "open

Photo by Erland Carlson

house” was held to view the project which many volunteers labored to make the project a success.

The guest book shows that hundreds of people have visited the restored church.

Regular meetings of the Cemetery Association are held twice a year to take care of business of the church and cemetery. The present officers of the association are Lloyd Becker, Don Nelson, Harold Hansen, Todd McGillivray, Raymond Christensen, and Dennis Eck.

While the information presented here is accurate to our knowledge, no guarantee of accuracy is implied.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic.

Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

Watertown Regional Genealogical Society, c/o Watertown Regional Library, 160 6th St NE, Watertown, South Dakota 57201

Key:

- Sec = Section ; Bk = Block; Lt=Lot; Gr=Grave

Under the Comments section:

- Relationships;
- AKA or Nickname = "____";
- Age = Year, Month, Day;
- Epitaphs in "____":
- COD = Cause of Death, as listed in the death record or word of mouth.
- NBC = No burial card listed at the County Court House.
- BC = Burial Card at the County Court House
- DR = Death Record present in County Court House with book/page/line number, etc.
- NDR = No death record present at County Court House

While the information presented here is accurate to our knowledge, no guarantee of accuracy is implied.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic.

Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of St. Henry Church & Cemetery (1907-1982)

The Holy Sacrifice of Mass was offered for the first time at Henry in the section house, the residence of John J. Farry, by Father Albrecht in the fall of 1882. Then it was offered monthly until the spring of 1883; from May 1883 until August 1884, it was offered at the home of John T. Ginther. Dakota at that time was a territory comprising both North and South Dakota under the jurisdiction of the saintly Bishop Marty.

At a meeting in the spring of 1884 two things were accomplished. They agreed to have the church called St. Henry and they elected a committee to receive subscriptions toward building the new church. The committee consisted of John T. Ginther, chairman; John J. Farry, secretary; Patrick Walsh, treasurer; and Jacob Hingesberger and Henry Ferich.. Thus it was decided to build a church and steps were immediately taken to have the plan put into operation and they met at the Farry residence. Two lots were purchased from Frank Pierce in what was the Pierce Addition and two lots were donated by A. L. Buell, the editor and publisher of the Henry newspaper, which later became the Henry Independent. The contract was let to John Foy and Son June 1, 1884. The church was completed on September 1, 1884 at a cost of \$750.00 under the pastorate of Father Albrecht. The church is 82 feet long by 40 feet wide and 38 feet high with side walls 16 feet high. The interior is finished in hardwood, and is lighted by 16 beautiful

stained glass windows. There is a spacious gallery capable of seating 200. Seating capacity of the church is 600. Formal dedication took place in the spring of 1908 by R. Rev. Bishop O’Gorman of Sioux Falls, South Dakota. An addition was built to the church when Father Wernich was pastor at a cost of \$350.00.

During the time that Father Bonneterre had charge of the Henry Parish, the first definite steps were taken towards the building of the new church. The old Bass property was bought at the price of \$550.00. Excavation and basement were completed in August 1906 at the cost of \$550.00. In August 1907 work was commenced on the new church by John B. Mondloch. The total cost of the new church was \$6000.00. Father F. J. Twohig with the entire congregation offered the Holy Sacrifice of Mass for the first time in the new Church on November 3, 1907. The trustees of the parish were Timothy Curley and John B. Mondloch; and the building committee was Phillip O’Neill and Edward Ginther. Under the pastorate of Father Timothy O’Gorman, the new rectory was built in 1908, with Father O’Gorman doing much of the manual work.

Father Albrecht was the first pastor of the Henry Parish. The following priests succeeded Father Albrecht as the pastor of Saint Henry’s Parish. In 1885 Father J.G. Perrault was appointed the first resident pastor of Watertown, still retaining Henry as one of his missions. Father M. Nolan, Father Neibling, Father John Wernich, and Fr. Lauer all residing at Watertown followed each other in succession in the charge of the Henry mission. Father Joseph Gydonsek was appointed St. Henry’s first resident pastor with Clark as one of his missions. Father Gardiner with Clark as residence followed. Father Peter Lauer with residence at Watertown succeeded. Father Bonneterre was appointed pastor of Clark in 1904 with Henry and Grover as missions. Father F. J. Twohig was appointed in 1906 by Bishop O’Gorman with Grover and Clear Lake as outside missions. 1908), Father Timothy O’Gorman (1908-1910), Father John F. Hogan (1910), Father Terrence J. Slattery (1910-1919), Father E. F. Cuniff (1919-1920), Father J. A. Bushman (1920-1929), Father Joseph Carroll (1929-1930), Father C. J. Garry (1930-1936), Father J. P. Halpin (1936-1941), Father J. J. Rowan (1941-1944), Father Frank Majusiak (1944-1955), Father Joseph Anderson ((1955-1961), Father John I. Murray ((1961-1962), Father Walter Duraczynski (1962-1966), Father Robert Mullett (1966-1979), Father William Walker (1979-1980), Father Robert Mullett (1980-1983, Father Denis Meier 1983-1987 along with Sr. Adel Sautner, Pastoral Associate in 1983 and Sr. Marlene Konrady, Pastoral Associate 1984-1987, Father Jerome Kopel 1987-1994, Father Dale Sieverding 1994-1994, Father Gregg Frankman 1994-1998, Father Albert Cizewski 1998-2002, Father Doug Binsfeld 2002-present.

St. Henry’s had a membership of 72 families in 1980.

Father Francis T. Majusiak was a motivating force in the choices in the lives of many who entered the Convent from St. Henry and St. Peter at Grover. They are: Sr. Patrick Leonard Murphy (Mary Marlene), Sr. Helen Jean Washtoak (M. Carmen), Sr. M. Virginia Hallauer (Mary Lucille), Sr. M. Gabriella Crowley (Ann Lavonne), Sr. Maureen Blais ((Anna Marie), Sr. Immaculata Reddy (Eileen), Sr. Kathleen Ann Bierne (M. Lambert), Sr. Evarista Reddy (Catherine), Sr. Mary of St. John the Evangelist Crowley (Margaret), Sr. M. ?sp.DePazzi Zimprich (Mary Maxine).

Father Francis T. Majusiak 11/10/1914 - 01/19/1992 was ordained on 05/30/1942.

RESTORATION PROJECT 02/14/2004

A building committee was established with the main objective of bringing the church as close to its original form as feasible. Four local contractors and substantial involvement from the parish on a volunteer basis lowered the overall costs and shortened the duration of the project which began 02/14/2004.

Pews were moved to the basement so Mass could continue to be held. Everything came down that day. In 1975 a false ceiling was installed to conserve energy and lower the church’s fuel

cost. Now the Stations of the Cross were removed. To date they are hanging in the Catholic Church in Montrose, SD. Insulating was completely done with parish labor at a total cost of \$2,244.59. The total cost of taping, texturing and painting of the interior walls was \$8,886.24 done by Chuck Engels Drywall of Henry. Bachman Construction was responsible for drywall installation, framing and trim work at a total cost of \$12,036.00, lowered due to parish labor. Dupont electric was in charge of new wiring, lights, fans, etc. at a cost of \$13,092.88. Clayton Coleman of Bradley installed the carpet for \$1,844.38. Then the painting of antique gold by Cathy Smith and Laurie Keltgen. Then came moving the pews back upstairs and the Parish was able to celebrate Mass in the upstairs of the church on March 28, 2004.

St. Henry purchased a new tabernacle in June 2004. Original and restored pieces make up the rest of the sanctuary.

During the remodeling process an opening in the ceiling revealed “Hidden Treasures”, 4 statues and 3 pedestals.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic.

Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

While the information presented here is accurate to our knowledge, no guarantee of accuracy is implied.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of Kampeska Church and Cemetery

The only church in the town of Kampeska was of the Methodist-Episcopal faith. This parish was organized in May and June of 1887. Later the church was built, and the site was a block east of the Falvey's farm.

The first year the church had 87 members. In 1914 they bought a lot by the lake for church activities.

The minister lived in Kampeska until about 1916, in the parsonage west of the church. This house burned in the 1920's. Later the church was served by pastors from other towns such as Henry, Hazel, Thomas, Garden City, and Florence.

Pastors at Kampeska:

1888-1890	Rev. H.M.Springer	1920-1926	Rev. C. W. Zech
1890-1892	Rev. J.B. Dibble	1926-1928	Rev. R. Lindstrom
1892-1894	Rev. T. Wilkinson	1928-1928	Rev. J.H. Dirks
1894-1895	Rev. A.W. Hakes	1928-1933	Rev. E.C. Antrim
1895-1896	Rev. S. H. Brown	1933-1936	Rev. N.A. Luke
1896-1898	Rev. C. R. Anderson	1936-1937	Rev. W. Shreve
1898-1900	Rev. P.J. Shepersky	1937-1938	Rev. E.W. Ackley
1900-1901	Rev. A.J. Giswold	1938-1939	Rev. G. A. Dolittle
1901-1903	Rev. H.S. Coon	1939-1942	Rev. B. W. Johnson
1903-1905	Rev. W. Wellington	1942-1942	Rev. P. Kaye
1905-1907	Rev. H. C. Riley	1942-1943	Rev. M. Dunagan
1907-1908	Rev. A. L. Cathers	1943-1943	Rev. C. W. Moore
1908-1910	Rev. A. J. Oliver	1943-1946	Rev. L. Stratton
1910-1911	Rev. F. Tanner	1946-1947	Rev. B. Hollingsworth
1911-1916	Rev. F. Ray	1947-1948	Rev. W. Parliament
1916-1920	G. E. Boher	1948-1949	Rev. A Hocking

In 1929, the congregation put a basement under the church. Belmer Sandwick and Lester Purcell were in charge of the digging and moving of the dirt. George Williams supervised the cement work.

They had a Sunday School Convention here on October 11, 1935. Church services discontinued in 1946, but the Ladies Aid continued until the early 1950's. Bible School was held in the summer until 1954.

The church was sold in 1958 to Bill Walters who moved it 5 miles west on Highway 212. It was made into a museum and later in 1968 to an antique shop until 1985. Bill called this place "Tinkertown"! Now it is a welding shop operated by Guy Fish since 1991.

The cemetery is southwest of the Kampeska town site. Thomas Brown, J.W. Frances, and Isac Purcell filled out papers on March 13, 1886 to start a cemetery association. After approval was received from the Dakota Territory's Secretary of State, land was bought from J.W. and Dora Frances for \$100.00. This took place on June 18, 1886. The cemetery consists of about 3 acres.

Over the years the cemetery was taken care of in different ways. The Methodist Church first and then in the 1970's, Joe Messer of Watertown had a 4-H Club called Clover Club care for it. The club leaders were Laurel McElhany and Joyce Oleson.

In 1989, there was a big clean up of the cemetery. This was done by local volunteers, American Legion Members, and the County. The township helped by paying someone to mow it a few times a year.

Things changed in 1995 when Gladys Cowden left a generous donation to keep the cemetery cared for in memory of her grandmother, Katie Fisher. A group of local people organized a cemetery association in 1996.

The first person that was buried here was John Evans on May 10, 1884. The last to be buried here is Sarah Davis on January 28, 1962. Over the years some of these graves have been moved to other local cemeteries.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

Watertown Regional Genealogical Society, c/o Watertown Regional Library, 611 B Ave NE, Watertown, South Dakota 57201

Key:

- Sec = Section ; Bk = Block; Lt=Lot; Gr=Grave

Under the Comments section:

- Relationships;
- AKA or Nickname = "____";
- Age = Year, Month, Day;
- Epitaphs in "____";
- COD = Cause of Death, as listed in the death record or word of mouth.
- NBC = No burial card listed at the County Court House.
- BC = Burial Card at the County Court House
- DR = Death Record present in County Court House with book/page/line number, etc.
- NDR = No death record present at County Court House
- M = Marker present in cemetery
- NM = No marker present in cemetery
- b. = birthplace
- d. = place of death
- p. = parents
- w. = wife
- h. = husband
- f. = father
- m. = mother
- Maiden name in (____)
- Military information found on burial card at the County Court House or on marker in cemetery
- MB = Marriage Book
- WPO = Watertown Public Opinion - Newspaper

HISTORY OF ST. PETER'S CHURCH AND CEMETERY

A small number of Catholics arrived in this area in 1879, after the railroad started to lay tracks from Watertown to Huron.

The first town to appear along the tracks was Grover, SD in 1888. Grover began to grow as the trains were going through regularly. More Catholic families started to come to the growing community.

A traveling priest would come to Grover, by train or horse and buggy to say Mass three or four times a year. Mass would take place at the John and Amelia Zimprich's home by Grover, in the depot, or at the Grover School that was built in 1884. It was located a half mile west and one mile north of Grover. These missionary priests would come from Watertown, Kranzburg, Estelline, Clark, and Frankfort.

In 1901, the Catholic families initiated erecting a new church. It was completed in 1902 by the families who volunteered their skills, time and labor, assisted by carpenters, John B. Mondlock and John Raderschadt.

The new church was painted for the first time in 1903; the cost of the painting was \$30.00 for labor and \$15.70 for paint.

On August 21, 1903, John Zimprich and his wife Amelia legally gave two acres of their land from Section 35 in Kampeska Township, of Codington County to the Sioux Falls Diocese, to be used for a church and cemetery.

When the church was built, it had a tall steeple. As years went by timbers began rotting, so the bell was taken down to repair the steeple. At that time the steeple was made shorter, and the bell was left on the ground, in the southeast corner of the church. This took place sometime before 1925.

During the time Fr. Frank Majusiak was here, Father and Loren Bierne built a stand for the bell. Before Fr. Frank left in 1955, he took the bell to St. Henry's in Henry, SD. The plan was to place the bell in the southeast steeple of the church, but that was never accomplished. It was sold at St. Henry's parish church auction in the early 1980's.

On the top of the church's steeple there was a wooden cross. In August of 1988, the cross blew down. Fr. Kopel made a cross out of 4x4's and had it placed above the choir windows outside. Francis Flemming put it up in 1990.

The interior of the church at first had plaster walls and below the windows there was wainscoting. The ceiling is the original one with the wainscoting design.

The inside of the church was renovated when Fr. Frank Majusiak was here. White insulated paneling board was put on the walls.

The sacristy was on the north side of the altar. It was removed and Fr. Frank built a new addition for a sacristy on the west side of the church in 1948.

At this same time, a discussion was made to construct a basement under the church, but failed to mature.

When the new sacristy was built, St. Peter's put in a new furnace and took out their old coal stove that had been on the south side of the altar. This furnace served for almost 50 years. On March 18th and 19th of 1997 a new propane furnace was installed.

St. Peter's has noted several changes inside the church in the late 1960's with Vatican Two. The altar was moved so the priest faced the congregation, and Mass was said in English; no longer in Latin. The communion rail was taken out at this time.

The old altar was removed, and the west wall of the church was paneled. The big crucifix came from Holy Name Parish in Watertown. The new altar and the pulpits at St. Peter's came from St. Michael's in Clark. Fr. Kunz added a tabernacle and vigil light in 1983, so the Blessed Sacrament is kept in the church at all times.

In 1906, when the first resident priest, Fr. J. Twohig arrived at St. Henry Catholic Church at Henry, SD, he came to St. Peter's parish to say Mass also. St. Peter's parish began having Mass on the first Sunday of the month until 1929.

When Fr. John Garry came in 1930 to St. Henry Church, he began saying Mass every Sunday at St. Peter's.

The parish of St. Peter's has been a mission of St. Henry from 1906 to 1983. Then it was a mission parish of St. Michael's of Clark for 10 years. We had two priests from St. Michaels that came to St. Peter's, Fr. James Kunz (1983-1985) and Fr. Jerome Kopel (1985-1993).

In January of 1994, St. Peter's joined in a three member parish with one priest. The three parishes consist of Blessed Sacrament of Florence, St. Peter's of Grover, and St. Henry of Henry. The priest lives in Florence; the first priest of this organization was Fr. Dale Sieverding.

Priests that served at St. Peter's

Missionary Priests: Fr. Phillip Albrecht 1882-1884; Fr. Joseph Perrault 1885-1887; Fr. M. Nolan 1887-1891; Fr. Charles Robinson 1891-1894; Fr. J. Neibling 1894-1903; Fr. John Wernich 1894-1903; Fr. Joseph Gydonssek 1894-1903; Fr. P. Gardiner 1894-1903; Fr. Peter Lauer 1896-1904; Fr. Emil Bonnetterre 1903-1906

Resident Priests: Fr. F. Twohig 1906-1908; Fr. Timothy O'Gorman 1908-1910; Fr. John Hogan 1910-1910; Fr. Terrence Slattery 1910-1910; Fr. E. Cuniff 1919-1920; Fr. John Bushman 1920-1929; Fr. Joseph Carroll 1929-1930; Fr. Davis 1930-1930; Fr. C. Garry 1930-1936; Fr. Joseph Halpin 1936-1941; Fr. John Rowan 1941-1944; Fr. Frank Majusiak 1944-1955; Fr. Joseph Anderson 1955-1961; Fr. John Murray 1961-1962; Fr. Walter Duraczynski 1962-1966; Fr. Robert Mullet 1966-1979; Fr. William Walker 1979-1980; Fr. Robert Mullet 1980-1983; Fr. James Kunz 1983-1985; Fr. Jerry Kopel 1985-1994; Fr. Dale Sieverding 1994-1994; Fr. Gregg Frankman 1994-1998; Fr. Albert Cizewski 1998-2002; Fr. Doug Binsfeld 2002-present;

Religious Vocations from St. Peter's

Three women of St. Peter's Parish chose the religious life. All three Sisters entered the Presentation Convent in Aberdeen, SD.

Sister DePazzi Zimprich, daughter of John & Cecile Zimprich entered the convent in 1944 and made her final vows in 1947. Sister DePazzi passed away on November 29, 1994.

Sister Virginia Hallauer, daughter of Carl Sr. and Bertha Hallauer entered the convent in 1946 and made her final vows in 1952.

Sister Kathleen Bierne, daughter of Lawrence and Jean Bierne entered the convent in 1958 and made her final vows in 1965.

The Music at St. Peter's

The first organ at the church was traded with Carl Hallauer Sr. in 1938 or 1939. They had a better one at home than the church originally had.

In July of 1979, the church sold this old pump organ for \$300.00.

When Fr. Joseph Anderson was here, St. Peter's got a new organ in 1960 for the cost of \$500.00. Eleanora Hallauer was the first to play it. In May of 2000 Jerald and Nelda Popham gave a newer organ to St. Peters.

Over the years these ladies have played the organ at St. Peter's: Ms. Albert (Catherine) Zimprich, Mrs. John (Cecile) Zimprich, Carol Zamow, LaVonne Zamow, Audrey Strohfus, Mary Zamow, Eleanora Hallauer, Mary Cypher, Joyce Oleson.

When Fr. Frank was here he wanted a music director, so Emma Hallauer directed the music and choir from 1944 to 1958.

Cemetery

The St. Peter's Cemetery is located just north of the church. The oldest grave is Joseph Amrheim. His headstone reads Born: January 20, 1845; Died June 21, 1904.

In 1994, St. Peter's Parish organized a Cemetery Association for future care. The evergreen trees around the cemetery were planted as memorials by families in the 1990's.

The St. Peter's Catholic Church at Grover has served the Catholic families for a hundred years. Some families have been in Grover for five generations. May the Lord continue to bless the families of St. Peter's Parish.

Holy Rosary, a.k.a. Our Lady of the Rosary Cemetery, Kranzburg, Codington County, South Dakota

Location: Center of Section 35 of Kranzburg Twp (North). Located on the northeast edge of Kranzburg northwest of the Catholic church.

GPS Latitude / Longitude: (Degrees / Minutes / Seconds) N. 44° 53' 36.7" W. -096° 55' 08.6"

Directions: from Watertown, highway 212 east to Kranzburg

Cemetery contact or sextant: Eric Turbak, Kranzburg, SD 57245. Telephone # 605-882-3866

While the information presented here is accurate to our knowledge, no guarantee of accuracy is implied.

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

HOLY ROSARY CEMETERY

The story began in the late 1870's and early 1880's, the government opened up the Dakota Territory for homesteading. In 1873 a branch line known as the Winona & St. Peter, ran through to Kampeska. It lay dormant until 1878, when it was repaired after the prairie fires had partially destroyed it. In April 1878 a group of German Catholics led by Nicholas Kranz, started negotiations with the Chicago and Northwestern Railroad for the land. They

informed Mr. Kranz in June, that there were crews repairing the railroad to Gary and would continue to Lake Kampeska. By May Nicholas Kranz, Johann Kranz, Mathias Kranz, Charles Kranz, Joseph Stumpf, Michael Ludwig, Frank Marx, Nicholas Haan, Henry A. Hanten and Joseph J. Fox left for Dakota Territory for ground breaking. By August the ground was prepared, surveyors were employed and finished the town plat on Sept. 16th. The town was named Kranzburg in honor of the chief founders.

After building their own homes the pioneers collected money, (\$750), from the settlers and the home church at New Trier, MN to build a church. The railroad donated the land, a 20' by 28' frame structure was built. On June 24, 1879, the First Mass was celebrated by the Rev. Alex Berghold. The church was blessed and named Holy Rosary, Mary of the Holy Rosary. He cared for these people as a mission parish until May 1, 1880. Father Chrysostom Foffa, O.S.B. came on May 1, 1880 as the first resident pastor. until June of 1881. Rev. A. Bergman arrived on July 1, 1881, He ministered to the Catholics in Big Stone City, Milbank, Watertown and Traverse City. He was transferred in Dec. 1883. Rev. Phillip Albrecht came on Jan. 1, 1884 and remained until Aug. 1, 1887. Rev. Jacob Shirra was the fourth pastor appointed in Aug 1, 1887 and died on June 21, 1892. The fifth was Rev M.A. Sack. He remained until Sept. 1894. Rev. H. Victor was the sixth pastor to the congregation in Sept. 1894 when the present gothic brick church was built at a cost of \$18,000.00, the cornerstone being laid in 1898. The seventh pastor was Rev. H. J. Hansen, who served from July 1, 1902 until 1910. The eighth pastor was Rev. A. B. Conrad, he served until June of 1912. The ninth pastor was Father John A. Krebs, who took charge on June 5, 1912 and served until Sept., 1913. The tenth pastor was Rev. Joseph C. Zimmerman who served from Sept. 24, 1913 until April 1927. The eleventh pastor was Father F.S. Gruenheck. He served the parish the longest, from 1927 until 1976. He is buried in the Holy Rosary Cemetery beside his parents. Other Priests who have served the Parish are Gilbert Hess, OSB, Robert Krantz, Charles Mangan,

Unknown Photo

Richard Baumberger. Father Gregg Frankman is the current priest serving the Parish. The new bells were blessed in 1930 donated by Mrs. Crescentia Raml and her son Wenzel Raml.

The first person to be buried in Holy Rosary cemetery was Joseph Ludwig, an infant, who was buried on Aug. 3, 1880. In 1917 a large number of evergreens, spruce, etc. were bought and planted on church property. Those planted in the cemetery were planted in the form of a cross that can be readily seen from the air. Many of the present parishioners can recall carrying water so that the trees should survive and grow. There is a large Cross with Jesus crucified in the center of the cemetery,

with the Stations of the Cross to the North. On the North end there is large statue of Mary of the Holy Rosary.

The first school in Codington Co. was at Kranzburg Dist. # 5. On June 30, 1879 G. W. Spooner was chosen chairman, to see to the building of a school and the cost was not to exceed \$1000.00 . The school was conducted from Dec. 1879 through Mar. 1880, taught by A. D. Sutherland at a salary of \$30.00 a month. The tuition was \$1.34 a pupil per month. Enrollment was 29 pupils, with their ages ranging from 5 through 21 years. The school was always upgraded and by 1891 the teachers had to have a Second Grade Certificate. The subjects taught were Reading, Spelling, Arithmetic, U.S. History, Geographies, Composition and Music. In 1888 a Webster Dictionary was purchased to go with the new black board and lights. On Dec. 24, 1945 the Catholic school burned to the ground. District #5 still stands today, but has not been used for many years. The Catholic Parish had a cooperative agreement with District #5, that they could use the building, because the enrollment was so large, that grades 4 and 5 used that building until 1969. On July 10, 1949 construction began. It was a Catholic School until 1968 when redistricting Codington Co. created a problem, so the 7th and 8th grades would be sent to

Watertown or Waverly by bus to Junior High School and High School. The grades now in the school are K through the 6th.

Lake Nicholson Cemetery, Codington County, South Dakota

History of Lake Nicholson Methodist Episcopal Church (1902-1920)

Unknown Photo

On June 4, 1902, a public announcement was made to meet at the Currey School House to organize a board of Trustees and to vote on the most suitable place for the church.

Two pieces of land were offered but it was decided to accept the two acre piece of land offered and given by Mr. Wm. Quick and was located in Phipps Township 118, Range 55, on the SW corner of the SW $\frac{1}{4}$ Sec. 12.

John Phillips, Albert Christian and James McLaren were chosen as the Board of Trustees.

June 23, 1902, was the time the next meeting was held and it was decided to take up subscriptions to find out how much could be raised toward the building of the new church. Rev. W.C. Ehlers, John Phillips and James McLaren were to attend to this.

A drive for donations was started and over a hundred families and firms were contacted, also about forty shares of stock were sold. A sum of about \$1400.00 was raised, with about \$250.00 obtained from the Methodist Church Extension Society.

August 14, 1902, a charter for the church was obtained from Pierre, SD.

Motion was made and accepted to build the church 24 x 40 feet with the foundation to be laid at once, and building to be started the next spring.

On May 30, 1903, an agreement was made with Charles E. Sieley, a contractor from Garden City, South Dakota, to build the church. It was to be ready for occupancy about

the 15th of July, 1903, with the exception of the inside fixtures such as seating and so forth. His price for building the church was \$1300.00

Albert Christian was appointed to take charge of hauling lumber and materials. The cost of the materials was \$750.00

Rev. W. C. Ehlers who also had charge of the Henry, South Dakota Church was the first pastor of the church in the year of 1903.

A few of the following pastors were the Rev. A. J. Oliver, during the year of 1908. Rev. Harkness. Rev. Radcliff who was the last pastor of the church and served many years.

A good attendance in Church and Sunday School and the interest the people of the community took in all parts of the church work was a success.

A Young Peoples group of about sixteen was formed during the pastorate of Rev. Radcliff and a society called "Plus Ultra" was formed. The young people took part in many ways to obtain money for the church work.

The Church was very active until about 1920, when many of the older members had passed on and other members moved away, causing the church to close.

The church building was sold and dismantled during the years of 1930.

To the east of the church a cemetery was planned. It was not surveyed and made into lots to be sold until 1907. Some graves were placed in the cemetery before it was surveyed. The last burial in this cemetery was John F. Christian in 1976.

History of St. John's Evangelical Lutheran Church (1888-1988)

In the 1800's the rolling prairies of Dakota Territory beckoned to many a hardy soul who forthwith packed up his family and belongings and headed west in search of a new life, migrating mostly from WI. So it was that many Lutheran families brought their church with them and settled in Hamlin, Codington and Grant Counties. Through the 1870's and early 1880's a circuit rider, Missionary Christian Boettcher, stationed at

Marshall, Minnesota cared for the spiritual needs of these pioneer families. In 1884, the Minnesota synod agreed to the calling of Pastor F. Johl to serve the three counties; he would be living in Germantown Township.

In the year 1884 they built the first parsonage. This was located 2½ miles south of the present Rauville church, on the northwest corner of that road crossing. There Mr. Ludwig Rau donated two acres of land and upon it was erected the white 1½ story frame parsonage and a red barn. From there these four little groups were served by Pastors Johl from 1884, Luebbert from 1888, Polzin from 1897 until 1905-a total of 21 years.

Since Pastor Johl had several congregations to serve, and all of them by horse and buggy, it was not possible for the Mazeppa group to be served more than once every three weeks. Pastor was paid \$85 per year and a bag of oats per member for his services.

An organization meeting was held in Mazeppa Township, Grant County, on May 14, 1888. The following were present: Robert Zielsky, Frantz Redlin, Wilhelm Blek, August Quitsch, Herman Klix, Julius Redlin, Carl Beskow, Ernest Matthes, Frantz Korth, Carl Blek, Carl Krause, Herman Krause, Nickolous Adolphsen and N. Adolphsen-14. The first officers of the newly formed congregation were Wilhelm Blek and Julius Redlin, Elders; Carl Beskow, Secretary; and August Quitsch, Treasurer. The congregation went under the name "St. Paulus Gemeinde" up to January 1897 when it was given the present name St. John's Evangelical Lutheran Church.

As Dakota Territory moved closer to statehood in the 1880's, many one room schools were scattered over the prairies. Church records indicate that services alternated between a schoolhouse (Beskow School) one mile east of the present church and also at a schoolhouse (Quitsch School) located three miles south of the first mentioned school. It is noted that Caroline Klix (died 1911) and Herman Klix (died 1914) were buried at "Quitsch School." Tradition has it that there were also five children buried at the site. We note that several baptisms were recorded as having taken place at "Beskow School." After our sister congregation to the south erected their church in 1888 on a site in Germantown Township (2 miles south, ½ mile east of the "Quitsch School") the decision was made to hold all services at the "Beskow School." From 1889 on, all services were held at the "Beskow School" until the church was built in 1897.

The Lord called Pastor Johl to his eternal rest in 1888. Pastor A.L. Luebbert accepted the call to serve these congregations. In an effort to establish an appropriate location for a church and a cemetery in the Mazeppa township, there were many hours of discussion. Several of the families in the area offered land to be used for this church and cemetery. In 1891 the Lutherans of this area acquired land from Mr. Helmuth Heuer. In May of that year the present cemetery lot was dedicated.

Ever mindful of the value of a Christian education, this church already at its second meeting as an organized congregation had decided to call a parochial teacher and pay him \$12 a month and room and board. It seems to have been the desire of the congregation to have at least a few months of Christian day school training for their children every year, but due to a lack of teachers, monies and facilities, the school could not be conducted regularly every year. To help out the congregation, Mr. Emil Heuer taught the children for a few terms. Besides Mr. Heuer, Messers Clasen, Hohenstein, Rusch and Rev. Paul Hinderer taught in the parochial school here. Before 1900, when the congregation built its own schoolhouse, classes were conducted in private homes and public school rooms. After laws were enacted that forbade the members to take their children from the public

schools for a few months to receive religious instruction, the parochial school was discontinued.

It was the desire of these Lutheran families to have a worship service every week; therefore in January 1892 it was decided that Mr. Carl Beskow would conduct “Lese-Gottesdienste” on every Sunday that the pastor could not be present. While the families desired to construct a permanent house of worship, it was decided to postpone this construction until the congregation grew in size.

In 1892 the United States government opened the Sisseton-Wahpeton Indian Reservation, which was a piece of land in the shape of a triangle-the peak of which was at Lake Kampeska near Watertown and the base in North Dakota-for homesteading. The eastern boundary of this reservation was only one-half mile from the present church lot. The opening naturally meant much for Mazeppa Lutheran congregation. After that she grew rapidly in membership.

By 1894 this congregation had grown to such an extent that they and Germantown wanted to form a separate parish. The Watertown-Rauville-Mazeppa parish, however, continued until 1897.

The members of St. John’s began to implement their decision to erect a new worship facility by electing Carl Beskow, Emil Heuer and Herman Wolter to the building committee. In 1897 ground was broken and the church was dedicated the same year. Pastor Gausewitz, President of the Minnesota Synod, conducted the dedicatory services.

It is interesting to note that the present altar was purchased the same year the church was dedicated, and the baptismal font dates back to 1917.

Our Vogelpohl & Spaeth pipe organ was installed in 1907. It has continued to meet the needs of our congregation over the past eight decades. Maintaining the organ has been a special project for Mr. Helmuth Noeldner through the years. Mr. Nolte of New Ulm Organ Co. has given generously of his time and talent to keep the organ a fine instrument for our edification. Through the years there have been many organists who have given of their time and talent to render this special service to the congregation.

The traditional language of these people was German, and prior to 1916 all worship services and confirmation instruction was conducted in German. The first English worship services were conducted in 1920 and by 1925, 50% of the services were conducted in English. The St. John’s Evangelical Lutheran Church of Mazeppa Township became a member of the Wisconsin Synod in 1920. In 1921 the congregation decided that it would become an independent and self-supporting congregation. This meant that they would build a parsonage and call a pastor. The following men became the parsonage building committee: Fred Beskow, Ernest Breitzman, Ernest Kriesel and Robert Noeldner. The parsonage was completed the same year and Pastor C. Carl Bast was called. On October 22, 1922, the congregation observed the 25th anniversary of the dedication of their house of worship.

In the drought years Mazeppa Lutheran lost many members. Many moved out and sought to make their living elsewhere. Due to these and other circumstances the membership dwindled so far that the congregation was forced to ask the Synod to help support the pastor. However, that was only temporary. The Lord again blessed this section with good crops and with His continued blessing Mazeppa Lutheran was soon a growing and flourishing congregation.

Fiftieth Jubilee services were conducted on September 25, 1938 by the Rev. J. Carl Bast, a former pastor, in the German language and the Rev. Walter T. Meier, President of the Wisconsin Synod, in the English language.

In January of 1939 it was decided to ask the Synod for no further financial aid after June of that year, and once more to become self-supporting. The young people of the congregation were given permission to work up a plot of land north of the parsonage and to plant it to trees. In that same year also, the buildings of the church were painted. In April of 1924 the young people were given permission to place a fence around the cemetery.

In December and January of 1947, an electric plant producing 1500 watts, 110 volt current was installed in the parsonage. The church was wired and fitted with fixtures, and both the parsonage and church connected to the plant. A new furnace was also installed in the parsonage at that time, during a vacancy.

The Fiftieth anniversary of St. John's Evangelical Lutheran church was observed on Sunday, October 12, 1947, with former Pastors O.W. Heier and E.G. Fritz as speakers. It was shortly after this, on April 11, 1948, that the congregation voted to discontinue the German services.

In late summer of 1948 the church and parsonage were connected with electricity from Codington-Clark Electric Cooperative, Inc. The summer of 1950 showed a big change when the church was turned and faced to the south, and moved a few yards north onto a newly constructed full basement, with considerable improvement and redecorating to the interior. The familiar steeple was removed and a large cross erected in place. On June 24, 1951 a rededication service was held; Pastor O.W. Heier and Pastor H.C. Schnitker were the speakers.

On December 9, 1956, St. John's congregation of Mazeppa and St. John's of Rauville voted to join and form one parish. The pastor and family continued to reside at the Mazeppa parsonage until a vacancy in 1966. The parsonage was then sold, and a house was purchased in north Watertown for the pastor.

Eightieth anniversary services were held on June 16, 1968 at St. John's Evangelical Lutheran Church of Mazeppa with Rev. H. C. Schnitker and Rev. O.W. Heier as speakers. Mr. Howard Nolte presented a special organ concert. At this time the church council consisted of: Chairman, Wallace A. Redlin; Secretary, Harry O. Borns; Treasurer, Carl Moyer; serving as Financial Secretary was F.W. Beskow. Elders were Erwin Steinocker and Karl Kaaz. Trustees; Wallace Bunde, Harold Johnston and Lyle Kriesel. Stewardship members were: Carl Beskow, Otto Kriesel, Werner Heuer and Richard Theye. Cemetery Sexton was William Noeldner. Organists were Donna Steinocker and Maynard Resen.

A joint parish meeting was held on February 11, 1972 at St. John's Evangelical Lutheran Church of Rauville Township. The decision was made to dissolve the parish. The Rauville congregation soon became part of a dual parish which included Bethlehem of Watertown. St. John's of Mazeppa was then served as a vacancy for over 13 years by Pastor Edward J. Werner-one of the longest tenures since Pastor Paul Hinderer, who served from 1905 to 1919.

Upkeep has been an on-going project through the years. In the middle 1970's the interior and exterior of the church were painted and the heat ducts were changed.

On June 25, 1978, St. John's Evangelical Lutheran Church of Mazeppa celebrated its 90th anniversary with former Pastors O.W. Heier and N.E. Pommeranz speaking at the morning and afternoon services, respectively.

In April 1983 it was decided to form a dual parish with Peace Evangelical Lutheran Church of Milbank, South Dakota (a new mission) and to jointly call a pastor to serve them. Consequently on July 26, 1983 an afternoon installation service was held at Peace Evangelical Lutheran Church, and an ordination and installation service was held Sunday evening at St. John's Lutheran of Mazeppa for Shawn E. Kauffeld. He was installed by Pastor E.J. Werner of South Shore, assisted by Pastor Eugene Kauffeld of Watertown, Wisconsin, Pastor Dale Neyhart of Gary, Pastor Robert Weimer of Watertown, South Dakota, and Pastor Elroy Conradt of Henry, South Dakota. This union was dissolved in early 1985 and each church went its separate way, with St. John's retaining Rev. Kauffeld as their pastor.

In the 1980's continuing improvements included the installation of a security light, additional insulation, new carpet for the main aisle, the altar area and on the steps leading both to the balcony and to the basement. The outside front steps and sidewalk received indoor-outdoor carpet. A long awaited church office was constructed adjoining the balcony, and ceiling fans were installed in the church proper. The outside of the church received a coat of paint in the summer of 1986. Some interior painting was done in early 1988.

A joint meeting was held with Christ Evangelical Lutheran Church of Wilmot, South Dakota on February 22, 1987 to address the possibility of a dual parish. Following the decision to do so, Pastor Shawn E. Kauffeld was called to serve both St. John's Evangelical Lutheran and Christ Evangelical Lutheran churches. Installation services were held at Christ Evangelical Lutheran on Sunday, March 1st, 1987, at three o'clock in the afternoon. Pastor William Russow of Clear Lake, South Dakota, delivered the sermon, and assisting at the service were Pastors E.J. Werner, Paul Johnston, Ron Kruse, Dale Neyhart, Tim Meyer, Andrew Backus, Michael Barlow and Wayne Rouse.

The Lord blessed St. John's with a new youth group on May 14, 1985. The new group has been active in fellowship and many social activities such as bike rides, softball, camping and other church related events. May the Lord always bless this group to continue and encourage their many fine efforts.

History of St. John's Congregation of Rauville (1889-1989)

In the history written for the 50th anniversary in 1940 it was noted that the St. John's congregation at Rauville traces its very beginning back to the FAITH of its pioneer fathers. When they came, most of them from WI, they were of the conviction that their lives in their new home here in SD would be a sad failure, in spite of the crops and wealth the rich soil of SD could produce for them, unless here they would also have that "One Thing Needful" which alone would secure them a permanent home after this life, namely, eternal life in heaven. For that reason our fathers, bringing their families, met for divine worship in homes and schoolhouses at Mazeppa, Germantown, Rauville and Watertown. These little groups were served as well as conditions permitted in the early eighties by Missionary Christian Boettcher. May this congregation never forget this benefit which it has received from Synodical Missionaries.

In the year 1884 they called their first resident pastor, Rev. Johl and also jointly built the first parsonage. This was located 2½ miles south of the present Rauville church, on the northwest corner of that road crossing. There Mr. Ludwig Rau donated two acres of land and upon it was erected the white 1½ story frame parsonage and a red barn. From there these four little groups were served by Pastors Johl from 1884, Luebbert from 1888, Polzin from 1897 until 1905—a total of 21 years! It is to be regretted that during this time when these congregations were being formed the holding of regular public services and instruction of the children was hampered greatly by circumstances. However, in 1905 this condition was corrected, to at least a great extent, when the parish was divided in two and another pastor, the Rev. Paul Hinderer, was called by Germantown, Mazeppa and South Shore. Then the parsonage was sold and the land returned to Mr. Ludwig Rau. The Rev. Polzin continued in Watertown until 1911. Pastor Sauer was then called to serve the Watertown-Rauville parish. Beginning in 1919 he served in Watertown alone. Thus during the 14 years, 1905-1919, the pastors of the St. John's congregation at Rauville resided in the city of Watertown.

By 1919 the Lord had prospered our congregation to the extent that they were able to make the beneficial change of alone providing for their own pastor. To that end, they decided to buy land from Mr. Heman Buelow and to build a parsonage. Mr. H. Clasen, Mr. Wm. Hackbart and Mr. J.R. Michaels served on this building committee. The parsonage was built at the cost of \$7,260.00 and dedicated on October 26, 1919. The Rev. Otto E. Klett was the first pastor to live in the new parsonage.

The exact date when the Lutherans of Rauville first began to meet as a group for divine services in homes and school houses is not known. Neither can we set an exact date as to when these Christians ceased to be merely an organized group, but had already formed a congregation. When the congregation celebrated its 50th anniversary the members settled on November 20, 1889, as the date when the St. John's congregation at Rauville was organized. It was on that day that the Rev. Luebbert offered a constitution to the congregation for consideration. It was accepted and signed by seven charter members—Messrs. L. Rau, J. Michaels Sr., E. Guenther, A. Redlin, F. Krase, J. Giese and H. Redemske.

There are, however, good reasons to say that the St. John's congregation at Rauville was organized before November 20, 1889, for the minutes of its congregational meetings go back to February 20, 1889 or earlier. The records state that this already was a

congregational meeting. Moreover, the minutes of this meeting record procedures which are impossible for an unorganized group. For example, they had a secretary and treasurer. The treasurer gave the annual financial report of the year preceding. We also have pastoral records of baptisms, etc. to 1884.

Those seven charter members did not long stand alone. In January, 1890, Mr. H. Stein and Mr. R. Buchholz joined the congregation. It is gratifying that already on June 7 of the same year the congregation decided to join the Minnesota Synod, which later became part of the Joint Synod of Wisconsin and other states. In that same summer the church was built by the NINE voting members mentioned. The architect's name was Gauer, the builder Mr. Ira East and the cost about \$4,000.00. It was on August 31, 1890 that this congregation was permitted to dedicate its church building to the services of the Lord. The preachers for this festive occasion were Pastors Schultz and Gausewitz. The walls and ceiling were originally plastered and papered. The first altar and pulpit were combined. Thus the pastor preached standing high behind the altar. In the center of the church stood a huge wood stove. The plaster on the ceiling and walls was reinforced with wainscoting in 1898. The seating on the balcony has since been rearranged. The school house was built in 1900. The basement was excavated and the furnace installed in 1926. The church is now heated with fuel oil.

The cemetery was for many years surrounded by a board fence, which was replaced in 1928 with a wire fence. Through the years, especially during the growing season, the cemetery has received regular and careful attention. In fact, the whole church yard receives careful and loving care.

Services were in German until the last years of Pastor Polzin, around 1910, when English was begun. The two languages were used until the forties.

Pastor Lemke began serving St. John's in 1938 and was pastor until 1945. Pastor Borgschatz began in 1945 and served until 1956. In 1956 part of the congregation voted to start a church in Watertown which is Bethlehem. The remaining congregation joined with Mazeppa on December 6, 1956 when they became a dual parish. Pastor Eibs was pastor at this time and served the two congregations until 1959. Pastor LeRoy Dobberstein served both congregations until 1962. Pastor Norman Pommeranz served from 1963 to 1965. In 1966 the parsonage was sold at Mazeppa and the congregations bought a parsonage in the north part of Watertown. Pastor Schliesser from Henry served the vacancy until Pastor Herrmann accepted a call to serve the congregations from 1965 to 1971.

A joint meeting was held at St. John's of Rauville on February 11, 1972 to dissolve the parish. Rauville then became a dual parish with Bethlehem of Watertown. St. John's of Mazeppa was served by Pastor Werner of South Shore. Pastor Arthur Kell served St. John's Rauville and Bethlehem in 1972 and 1973. Pastor Durant Shook served 6 years and Pastor Robert Weimer served 4 years. Our present Pastor Paul Johnston came in 1984 to serve these congregations.

The church building has stood for a hundred years and many changes have been made. The church proper has remained almost the same except for painting and upkeep. In 1921 the congregation decided to remodel the front of the church, replacing the altar with a new one. The platform was extended to the full width of the church, and two doorways were built—one on each side of the altar, leading to the schoolhouse, so it could be used as a nursery for mothers of babies and small children. Until now, the only entry to the

schoolhouse was from the outside. In 1926 a basement was made under the church and a furnace was installed. The first electricity for the church and parsonage was a light plant and batteries completed in December 1943. Renovation of the church was in 1958. A new narthex was added and new stairways to the basement and balcony. At this time the steeple was removed. Pastor Eibs designed the front wall behind the altar. New cupboards were added to the kitchen. New carpet on the altar and tile was installed. The organ was moved from the front of the church to the balcony. New wiring and new light fixtures were added. Plasterboard was put on the inside, and the interior of the church was painted. Pews and some of the woodwork were refinished at that time. Rededication was held in the summer of 1958. Lebert and Macek were the carpenters hired for this project. There were also many hours of volunteer work from members of the congregation. New carpet, given as a memorial gift in 1973, was again installed on the altar and in the aisle. In 1975 a new furnace was installed. After much thought and planning in 1979 a new fellowship hall was built and a well dug making possible for two new bathrooms and running water for our new kitchen in the fellowship hall. Dean Raabe, a member of the congregation, was the carpenter for this project. Many hours of volunteer labor from the congregation were required to finish this project. Roy Kluck donated much of his time to the plumbing and furnace work done for these projects at St. John's. Dedication of the fellowship hall was November 11, 1979. The church purchased pews from Good Shepherd of Sioux Falls in 1982.

For many years the congregation has had a choir, Ladies Aid and a Young Peoples Society. An Altar Guild was organized in December 1963.

The first Ladies Aid meeting was October 29, 1919. The first officers were: Mrs. John Michaels, President; Mrs. Otto Klett, Vice President; Mrs. Henry Clasen, Secretary; Mrs. Otto Korth, Treasurer. The original members of the Aid were: Mrs. William Redemske, Mrs. August Strege, Mrs. Otto Klett, Mrs. Otto Redemske, Mrs. Otto Korth, Mrs. John Michaels, Mrs. Fred Redtke, Mrs. Henry Clasen, Mrs. Fred Neuendorf, Mrs. Amelia Redemske, Mrs. William Hackbart, Mrs. August Beulow, Mrs. John Kraling, Mrs. Carl Kaaz, Mrs. Otto Schmit, Mrs. Albert Kluck, Mrs. Herman Kannas, Mrs. Robert Strege. Mrs. Otto Korth is still living in Watertown.

The first class confirmed was on March 22, 1891: August Tetzlaff, Fredrick Zeck, Wilhelm Schmeling, George Schafer, William Blek, Franz Lentz, Richard Hoge, Ernest Matthes, Herman Kannas, Ferdinand Blek, Rudolph Zielsky, Ida Noeldner, Mathilda Grewing, Emma Lentz, Emma Bahr, Ida Stemwedel, August Rau, Elizabeth Fritz, Attilie Fritz.

The first to be married after the congregation had been organized were Heinrich Stein and Anna Michaels, on November 22, 1888. The first couple married in the church was Wilhelm Schmeling and Anna Buchholz on October 30, 1890.

The first baptism after the organization of the church was Martha Louise Zeck July 13, 1884. The first child to be baptized in the church was Vira Marie Mathilde Buchholz, December 18, 1890.

St. John's celebrated its 40th anniversary on October 12, 1930. The Rev. O.E. Klett preached for the two jubilee services, German in the morning and English in the afternoon.

September 1, 1940 the congregation celebrated the 50th anniversary of its church building. In the morning Pastor William Sauer preached in English while Pastor O.E.

Klett preached in German. The afternoon service was purely English with Pastor J.B. Erhart the preacher.

On September 12, 1965 St. John's celebrated their 75th anniversary. Pastor P. Schliesser was the vacancy pastor at that time. Pastor LeRoy Dobberstein preached at 2:00 p.m.

St. John's has given the following sons and daughters for the work in the Lord's Vineyard: Pastors: Edgar Guenther, Max Michael, Gilbert Bunde and Arlyn Schmeling. Teachers: Winfried Clasen, Agnes Strege, Ione Strege, Audrae Bunde, Kathryn Borgschatz and Roxanne Redlin.

One of the first organists was Hilda Michaels. She served as organist until her marriage to Earl Johnston. Mrs. Clasen, a retired parochial teacher, was organist until Doris Redemske took over. In the spring of 1928, the choir put on an Easter Cantata for their church and neighboring churches. Much credit must be given to Doris, as she has kept a choir active in the church all these years. She was always recruiting new members whenever she could. Doris Redemske served as church organist from 1925 to 1988, a total of 63 years of service. Anotta Britzman helped Doris the last couple years and assumed the duty in July of 1988 when Doris became ill.

The Founding and Early Years of the St. John's Lutheran Church of Rauville Ladies Aid.

St. John's Lutheran Church of Rauville, SD had been in operation for approximately 30 years before it became self-supporting. From its formation in 1889 until 1919 St. John's had been a joint parish with St. Martin's of Watertown. In 1919 the congregation had grown sufficiently that it was decided they could support themselves and Reverend Otto E. Klett became St. John's first resident pastor.

With a full time resident pastor, the congregation of St. John's finally felt like a true church and the ladies of the congregation began to talk of forming a Ladies Aid. On October 29, 1919 eight ladies met in the home of Mrs. William Redemske and organized a Ladies Aid. Elected as officers for this new organization were: Mrs. John Michaels-President; Mrs. Otto Klett-Vice-President; Mrs. Henry Clasen-Secretary and Mrs. Otto Korth-Treasurer. The other four ladies in attendance at this formation meeting were Mrs. Otto Redemske, Sr.; Mrs. August Strege; Mrs. Ferdinand Radtke and Mrs. William Redemske.

The ladies, at this first meeting, also decided to assess themselves the extreme sum of \$.10 per month in dues. This amount remained as the monthly dues for two years when it was raised to \$.25 per month for participating members. The ladies also decided that they would establish an annual fee of \$5.00 for those ladies wishing to become members but for some reason or other could not participate. The dues were later increased to \$.50 per month, where they remained until only recently.

Notes of Interest

Four Generations of Continuous Members

Henry Redemske—Charter Member

William Redemske

Otto Redemske—Living at Jenkins Methodist Home in Watertown and still a member of St. John's.

Willard Redemske—Living in Watertown and also a member of St. John's

Lakeview Cemetery at South Shore, Codington County, South Dakota

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

HISTORY OF LAKEVIEW CEMETERY

I did on the 25th day of May 1892 survey and stake out into blocks, lots, street and walks a part of the North East quarter of Section twenty-two (22) in town one hundred and nineteen (119) range fifty one (51) fifth principal meridian and situate in the County of Codington State of South Dakota for the purpose of laying out and establishing a cemetery in the manner indicated on the accompanying plat which is a true representation of said cemetery, Particularly setting forth and describing the street and walks and all blocks and lots in said cemetery and that the lots therein are numbered by the blocks in which they are situated.

Witness my hand this 13th day of February A.D. 1893 Geo. W. Carpenter, surveyor

On this 13th day of February A.D. 1893 before in and for said county and state personally appeared Geo. W. Carpenter to me known to be the person described in and who executed the foregoing certificate and acknowledged the accompanying map and that he made the same, and the subdivision of the land above described at the request of the Town board of the town of Leola and that he executed the foregoing certificate by him signed voluntarily for the purposes therein mentioned.

State of South Dakota, County of Codington, Clerk of Court, H.A. Babcock

Be it known that the undersigned the Leola Town Board the owners of the Land described in the foregoing certificate of Geo. W. Carpenter surveyor does hereby acknowledge that it caused the said land to be surveyed, staked out and platted for the purpose of establishing a cemetery to be known as LakeView Cemetery in the manner as described in the foregoing certificate and as indicated on the accompanying map and that the street and walks as shown on said map are dedicated to the use forever.

In witness whereof the Leola Town board caused these present to be signed by its chairman and attested by its Town Clerk on the 21 day of February A.D.1893

Attest James (?)Forter, Town Clerk by Leola Town Board F. O. Grunerud, Chairman

On this 21 day of February A.D. 1893 before me in and for said County and State personally appeared Fred O. Grunerud Chairman and James (?)Forter, Town Clerk of the Leola Town board to me known to be the persons who as said Chairman and Town Clerk executed the foregoing certificate and acknowledged that they signed the same as said Chairman and Town Clerk. Pursuant to authority vested in them by the Leola Town Board that the subdivision of the land above described and as shown on the adjoining map was and is the free act and deed of said Town Board for the purposes set forth in the foregoing certificate.

Witness my hand and seal the day and year aforesaid, Ira D. ?Annis, Notary Public

Gray Methodist Episcopal Church & Cemetery of Waverly, Codington County, South Dakota

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

History of Gray Methodist Episcopal Church & Cemetery of Waverly and others

One of the first buildings put up after the townsite was moved was the Methodist Church, which stood in the southeast part of town. It was an attractive L-shaped structure with an angular belfry entrance. It was moved to Webster or Waubay (Waubay is supposedly the correct place.) when the Methodist population dwindled. An acre of Cemetery was ¼ mile south of the church. There were a few graves with little or no markers

and there is no sign of the plot today. (From the First 100 years in Codington County, 1879-1979 (p.96)

Unknown Photo

Another (undocumented) source says: By 1912 the majority of the area population was Catholic. They acquired the land in Waverly of the former site of that M.E. Church in question. A livery barn was moved to the site and the new Catholic parish house was also built there.

According to Wright Tarbell, county historian writing about “Cemeteries Near Waverly, Codington County” for Watertown’s Public Opinion in June 1953: In the 1880’s—a one acre plot on the William Comes farm near the M. and St. L. tracks south

of Waverly was used by settlers of Irish and Scotch descent. “These settlers had their own Methodist Church at Waverly in those early days-“

Later—They were replaced sometime later by German Catholic settlers who built a church and laid out their own cemetery”

There are copies of the deed for the church (“All of Lots number One, Two, Three, Four of Block Nine of the original townsite of Waverly—“)

1. The first, a warranty deed dated August 10, 1885, names Charles F. Hatch, Trustee and Waverly townsite Company, selling the above land for the sum of Two Dollars, to the Gray Methodist Episcopal Church of Waverly, D.T.
2. A special warranty deed, dated December 4, 1902, the Gray Methodist Episcopal Church sells the above land to Frank Achartz of Waverly for Fifty Dollars
3. The third warranty deed, dated January 11, 1913, for the above land, is Frank A. Achartz selling for Fifty-Five Dollars to Thomas O’Gorman.

The purchaser of the land in 1913 (Thomas O’Gorman) is surely an Irishman that gives credence to the Catholics purchasing the land once used by Methodists for their church.

Getting back to what happened between the above deeds numbered 1 & 2, there are copies of 1893-dated documents from the trustees of both the Waverly and Watertown Methodist Episcopal Churches in which Waverly’s trustees are applying the funds from the sale of their church building towards the debt on Watertown’s church to which most of Waverly’s members have transferred their membership (and Watertown’s trustees are accepting those monies).

Known pastors who served Waverly were: W.S. Taylor 1883, W.D. Deeble 1885, C. B. Gilbert 1887, Donald McLean 1888 and J. W. Stokesbury 1890.

An article in the Watertown Public Opinion in 1953: taken from the records of Shaw-Messer

“Another chapter in the early history of Codington County is yet to be unfolded after the discovery of an early homesteader’s burial ground just south of Waverly.

Speculation as to who is buried in the one-acre plot on the William Comes farm near the M. and St. L. tracks a quarter-mile south of Waverly began recently when burrowing badgers began unearthing human bones, casket handles and pieces of rough boxes on the site. Comes first contacted Cliff Englund, Codington County sheriff, to see what could be done.

Comes said he had heard there was an old burial ground on his property but never knew the exact location. Sheriff Englund, State Game Warden H.H. Deblon and Wright Tarbell, county historian, visited the site several times.

The remains which had been disinterred by the badgers included several leg and foot bones, four casket handles and several dozen small pieces of wood, the latter probably coming from a rough box or casket. These were later reburied on the site by Tarbell.

In checking county historical records and other data, Tarbell concluded that the cemetery was used during the 1880’s. He believes the first settlers using it were of Irish and Scotch descent. These settlers had their own Methodist Church at Waverly in those early days. They were replaced some time later by German Catholic settlers who built a church and laid out their own cemetery.

Although records do not disclose the exact number of persons buried there, Tarbell believes that four graves still exist in the plot. Other Waverly residents buried there were moved to the Catholic cemetery in Waverly or to Watertown, some as late as 1906.

By talking to some of the elder citizens of Waverly, Tarbell discovered the name of one settler still believed buried there. He was Jacob Hess, an early homesteader, who had descendants still living in the Waverly area. Names of the others thought to be still buried there are not confirmed. It is believed that one woman was among them.

A survey taken by the WPA in the 1930's shows that four persons are still buried in the plot but this survey did not disclose the number of graves that were later moved, either.

Tarbell says that this plot is one of several early burial plots in the county, which have no markers or tombstones to indicate that graves are present. The others include a larger cemetery near Medicine Lake and one near the intersection of Highways 20 and 25 near Lake Kampeska.

For some time, Tarbell has been compiling a list of graves of all veterans buried in Codington County. Although the now obscure burial plot near Waverly probably does not contain veteran's graves, Tarbell is anxious to learn the names of persons buried there and more details about the early Waverly settlers. He has a large collection of early Codington County records, documents, literature and photographs, probably the largest in existence. These are kept in the American Legion Memorial Library on the fourth floor of the Courthouse.

History of St. Joseph Parish (A Century of Catholic Faith) 1889-1989

It was the year of our Lord 1890 the 23rd day of November, when eighteen Catholic families, living north and northwest of Kranzburg, in and around the town of Waverly, decided to tear away from their present parish of Kranzburg. With the help of the priest at Watertown and the approval of the Rt. Rev. Bishop Marty of Sioux Falls they would establish a mission of their own.

The reason for establishing a new mission was the distance from Kranzburg and the hardship of attending Divine Services especially in wintertime. Most of these families at that time lived in rather poor circumstances and had to go to church either by foot or in a box-wagon with roads sometimes unpassable by snowdrifts or high water in the Willow Creek. These families could not be blamed for getting the idea into their heads to establish a little parish of their own where they could worship God nearer to their homes.

Being beginners on their farms and on account of hard times these members were not able to erect immediately a church edifice, but rented the upper room in the two story school building in the village of Waverly, which they fixed up for a chapel. The first Mass in the school chapel was held by Father Wernich. It was decided in a meeting held on July 19, 1896 to acquire lots and put up a modest church building.

On October 19, 1896 a deed was filed whereas Peter J. Klein and Herman Thyen, trustees of St. Joseph Church, paid \$1.00 to the Waverly Townsite Company by James F. Harkness, its president of Codington County, SD, witnessed by Isabella Jellis and Maggie Schultz.

An affidavit stating "One acre formerly conveyed for the use of a cemetery" in deed from Emma Wingate and Charles A. Wingate to Maria Caroline Brandriet, dated October 10, 1893 was filed for record on October 24, 1893 and which cemetery is also referred to as "less an acre in a cemetery" in deed from Maria Caroline Brandriet to Mathew Brandriet dated August 26, 1916 and recorded in the office of the Register of Deeds in Codington County, SD, on January 16, 1926. The cemetery is located in one acre in the northwest corner of the southwest quarter of the southeast quarter of Section 29, Township 118, North of Range 51, West of the 5th P.M. in Codington County, South Dakota, Waverly Township, Block # 19 of the Townsite

of Waverly, SD, signed by Mathew Brandriet, Mathew Stricherz, and Gilliam Klein on October 15, 1949. Six lots on block 11 of the village of Waverly were purchased and a frame church 46 ft. long and 32 ft. wide was erected. In the year 1901 a bell was purchased and blessed on November 13, to call the faithful to the Divine Services in the future. Father Wernich's successor was Father Lauer and under his supervision the first church building was erected.

The first resident priest was Father Birkle. In July 1906, Father Kettler took charge of Waverly and his successor was Father Stoltz who remained here for two years. Father O'Driscoll succeeded him till spring of 1909, then Father Lauer was called to take care of Waverly again. In 1911 Father Eckl came and served until 1917. Watertown priests served for one year followed by Father E. J. Keefe, Rev. M. J. Lennon, Rev. P. J. Cafferty, Rev. John Brosnan, Rev. John Ryan and Rev. Mark Kelly. In 1954 we were served by Blue Cloud priests and Father Stemmier from Florence. From Nov. 1954 to April 1972, Father John Nieborski served Florence and Waverly.

In 1971, due to the unstable condition of the bell tower, the church was completely remodeled (bell tower taken down) adding sacristy, cry room, bathroom, air conditioning, new furnaces, new pews and kneelers. When remodeling was finished, it was completely paid for. The bell was moved to a base between the church and the parsonage. The furnishings in the parsonage were sold and the house became the CCD center since we did not have a resident priest. Father John was replaced by Rev. Zygmunt Dzierzek from 1972 to 1979. Father Denis Meier served from 1979 to the end of 1984. Since 1985 Father Bob Krantz has been serving Kranzburg and Waverly.

St. Joseph's parishioners have worked well together at many fundraisers and fun projects such as card parties, rabbit hunts, spring and fall dinners, serving at sales and making and selling crafts. We made and painted a nativity set, cristmons, Jesse tree symbols, stoles for priests in the diocese, we've planted, picked and sold sweet corn; planted hoed and picked potatoes. We have fall barbecues and bazaars, bake sales each year at the Watertown Mall and our latest even was our Soup and Bingo Bazaar.

It was a sad, sad Tuesday, October 17, 1989, when the word swiftly spread, as did the fire, which destroyed our beautiful church and everything in it. However, the spirit of the parishioners could not be burned. Two days later, they met, cleaned, polished and furnished the Town Hall in Waverly in readiness for Sunday Mass and a Baptism. Food was prepared and furnished for the workers by those who could not be there to work.

In late December, Bishop Paul Dudley met for Mass and then a meeting of our parish family and informed us that the Pastoral Council of the diocese and the Finance committee of the diocese had given their approval for us to build a modest building which they hoped would be multi-purpose. The Steering committee is working to be prepared for construction to begin in the spring.

With the records we do have, our St. Joseph parish boasts of 679 baptisms and 169 marriages during the years of 1908 to 1989.

Additional history:

The new church was built and dedicated on March 3, 1991. There is also a social area, 5 classrooms, plus the sacristy, and kitchen area.

July 20, 1999 vandals toppled tombstones breaking tops off and tipping over many stones in the cemetery, even the tombstone for the first burial, Johnny Thyen who died on March 31, 1892. The parishioners got together with tractors w/loaders, ropes and chains, etc. to repair and reset the stones.

Dear Father Krantz and Parishioners of St. Joseph Church.

Congratulations on 100 years of Parish life at St. Joseph's. What a milestone for your faith commitment! While you have a small community, you are indeed a dynamic faith-filled body of believers. As you celebrate your 100 years, please thank God often for your ancestors who have passed on their faith to you. I suggest you take your families through your parish cemetery and tell them the stories of those courageous, early pioneers.

This centennial year has been a painful one for you with the loss of your lovely temple of worship. I pray that this will not discourage you, but will provide an opportunity of grace for you to renew your faith commitment as you begin your second century of praise and worship.

May the Holy Spirit guide you and all of us as we discern what the will of the Lord is regarding the Catholic community in Waverly. May St. Joseph, your protector, intercede for you and all of us.

Sincerely yours, Paul V. Dudley, Bishop of Sioux Falls

Dear Friends: It is a joy to be pastor of St. Joseph parish at the time of our Centennial celebration. It is with a spirit of gratitude to our pioneers...those priests and yes, your ancestors for their marvelous faith and love for the church in those early days. What sacrifice...what faith...what generous people they had to be. It is difficult to comprehend all they did, what they did, even with brick and mortar way back then. We are blessed with so many easier ways to do things these days. These men and women were ready to impart a tradition rooted in the Lord Jesus Christ through a Catholic way of life.

The scriptures tell us that the greatest tribute that there is to being "church" is to be "those living stones." In our Centennial year, we were presented with the ultimate challenge of being living stones. We found out that our faith did go beyond that of a building when the fire took it in October. We continue to proclaim our faith without that of a building structure. What a tribute that is to you who are members not but also to those pioneers who helped to instill a spirit of living stones.

As we reflect on what has been, it is a time to look to what needs to be. It is a special time to reflect on our personal commitment of our faith. The special charisms of our Catholic faith must be carried on. Our love for the Eucharist is essential to being Catholic. Our Church shares with us a special sign...very powerful of God's love through His forgiveness in the sacrament of Penance. We celebrate within church the love of husband and wife in Matrimony. We want to be those living stones for those in need of physical healing, for those who prepare for Christian death.

My people, these sacramental celebrations help us carry out the privilege of the Lord building the house. Scriptures tell us "unless the Lord build the house, we labor in vain."

The greatest expression of gratitude we can have for the gift of the Church in our area for these 100 years is a life lived in a way that our descendants will be celebrating faith because of their ancestors...you and I. Love and Peace, Fr. Bob Krantz Pastor

St. Joseph cemetery is located in the NW corner of SE ¼ of Section 29, Township 118, North of Range 51 in Codington County, Waverly Township-Block # 19 of the town site of Waverly, SD.

Leaders of the Parish

Attended from Watertown or Esterly from 1889-1908 and then:

Father Birkle, Father Kettler, Father Stoltz, Father Michael O'Driscoll, Father Peter Lauer, Father William Eckl, Father E. J. Keefe, Father C. A. Wachter, Father M. J. Lennon, Father Pl J. Cafferty, Father John Brosnan, Father John J. Ryan, Father Mark Kelly, Father John Nieborski, Father Z. Dzierzek, Father Denis Meier, Father Bob Krantz, Father Charles Mangan (1996-1997), Father Richard Baumberger (1997-2003), Father Greg Frankman (2003-present)

Dexter Cemetery, Codington County, South Dakota

Location: – SE ¼ of Section 10 of West Dexter Twp (T 119-120 N, Range 52-54W)

The scope of this Codington County Cemetery Census Project is to provide an accurate and complete census of all of the rural cemeteries and individual burials in Codington County, South Dakota. It includes all known burials in the county with the exception of the two large Watertown cemeteries, Mount Hope and St. Mary's Catholic. Records have been researched at the cemeteries, cross-referenced with courthouse records, and the cemeteries walked.

We extend a heartfelt thank you to Merva Carlson for her tireless efforts toward compiling this information. The project has been largely hers. Merva has devoted hundreds of hours to make this census the most complete and accurate cemetery census ever done in Codington County. This project would never have been completed without her dogged determination and attention to detail. We wish to also thank Delores Hartley, Marge Bunde, and Erland Carlson for their assistance.

DEXTER CHURCH HISTORY 1899-1944

The Dexter Church and Cemetery was started by the early pioneers located in this area in 1899, on the land donated by John and Eliza Drake. This was followed by the organization of the United Brethren Church in Christ in 1902 under the supervision of Rev. W. F. Herman.

The Church building was constructed in 1906 by donated labor with Rev. Zenos and Manley Owens as head carpenters. The Dexter congregation, which later joined the Methodist Synod, flourished under the guidance of Rev. D. G. Radcliffe (1909-1919) with a large Sunday School led by Evan Thorson and Eliza Drake. Other pastors serving were: Rev. Doolittle, Glenn Phipps, O.T. Hills, and K. E. Earls.

The Dexter Congregation disbanded during the drought and depression years in the 1930's, and the church building was destroyed by a tornado on June 17, 1944.

The Dexter Cemetery Association was formed in 1976 to assure the perpetual care of the Cemetery.

This information was taken from the Memorial Plaque donated by Bert and Mary Drake.
