The REACH clinic provides a number of services, including medical care, victim advocacy, and case investigation, to children and families when there is a concern of possible child abuse. Within the last two years, the clinic has performed 217 evaluations for 10 counties in NE South Dakota, 91 of those originating in Codington County. Watertown and the surrounding areas in NE South Dakota are extremely fortunate to have this amazing service available so close to home.

Help us support children by showing your commitment to the Fight Against Child Abuse!
